EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order alters the rates of duty chargeable under the Import Duties Act, 1932, on importations of certain fresh and preserved fruit and vegetables. The duties on certain goods have been increased and some adjustments made in the periods during which the duties are operative; for other goods the seasonal specific duties hitherto in operation have been allowed to lapse, and the ordinary 10 per cent. general ad valorem duty restored. In two cases duties have been reduced.

Full details of the changes are given in the Memorandum published as Cmd. Paper No. 9018.
