EXPLANATORY NOTE

(*This note is not part of this order, but is intended to indicate its general purport.*)

The Advertisement Lighting (Prohibition) Order, 1951, prohibited the use for the purposes of advertisement of lighting fittings which occasion the use of electricity, gas, oil, or candles.

This order revokes that order with effect from 15th April, 1951. At the same time, to avoid doubt whether the Electric Lighting (Restriction) Order, 1949, (which imposes restrictions during the winter on the use of fittings which occasion the use of electricity) continues in force, express provision is made to continue it.
