(*b*) the observance by the importer of any conditions subject to which the allocation was made.

5. No licence, endorsed with the statement referred to in article 4(*a*) of this order, may be issued to an importer unless the Board is satisfied, after taking into account any levy-free imports of beef or veal authorised under previous licences issued to that importer, that the amount of levy-free beef or veal allocated to him in pursuance of this order will not be exceeded by the import of beef or veal under that licence.
