1943. No. 17.

The Ministry of Agriculture for Northern Ireland (hereinafter called "the Ministry") by virtue and in exercise of the powers under Regulation 55 of the Defence (General) Regulations, 1939, delegated to it by the Delegation of Emergency Powers, (Ministry of Agriculture for Northern Ireland) Order, 1941, made by the Secretary of State under paragraph (1) of Regulation 102A of the said Regulations, and by Directions given by him in pursuance of the said Order hereby orders as follows :—

**1.** No item of plant specified in the First Schedule or the Second Schedule to this Order (hereinafter referred to as the " First Schedule "

and the " Second Schedule ") shall be sold at a price greater than the current retail price for a new item of plant of the same manufacture and type.

**2.** No person shall make it a condition of any sale or of any offer to sell or purchase any item of plant specified in the First Schedule or the Second Schedule that there shall also be sold or purchased or that there shall be hired or otherwise dealt with any other article whether or not an item of plant specified in the said Schedules.

**3.** Except in accordance with the terms of a written authorisation by the Ministry, no person shall sell or offer for sale by auction or tender any item of plant specified in the First Schedule or the Second Schedule or bid or tender or agree for the purchase in reply to any offer for sale by auction or tender of any such item of plant at a price which includes the price of any other article or thing whether or not an item of plant specified in the said Schedules.

**4.** No person shall publish or issue or cause or permit to be published or issued any offer for sale of any item of plant specified in the First Schedule or the Second Schedule which shall not specify the name of the person entitled to dispose thereof and the address at which that person resides or carries on business.

**5.** No item of plant specified in the First Schedule shall be sold or otherwise disposed of except with the prior approval in writing of the Ministry.

**6.** No person shall acquire any item of plant specified in the First Schedule unless its sale or disposal to him has been approved by the Ministry under Article 5 of this Order.

**7.** Any person shall if so required by notice in writing given by the Ministry keep such books, accounts and records and make to the Ministry such returns and reports relating to the sale and disposal by him of any item of plant specified in the First Schedule or the Second Schedule as may be necessary in accordance with such notice.

**8.** For the purpose of this Order :—

(*a*) " Current retail price " in relation to any new item of plant means the retail price specified in the latest price list published or issued from time to time by or on behalf of the manufacturers or distributors of such item of plant ;

(*b*) " Current retail price " in relation to any second-hand item of plant means the retail price specified in the latest price list published or issued prior to the 8th February, 1943, (or such later date as may be specified in writing by the Ministry) by or on behalf of the manufacturers or distributors of such item of plant ;

(*c*) " Current retail price " in relation to any new or second-hand item of plant in respect of which no retail price, as is mentioned in (*a*) or (*b*) of this Article, has been specified means the price paid for such item of plant when new by the person who first purchased the same for use (whether by himself or any other person) and not for the purpose of altering, adapting or reselling it in the course of his trade or business.

(*d*) " Agricultural tractors " in the First Schedule means tractors which have been used or supplied for use wholly or mainly in connection with the cultivation of land.

**9.** If any question arises whether an item of plant is an item of plant within the meaning of this Order, such question shall be decided by the Ministry.

**10.** The distribution, disposal, acquisition or use by any person of any item of plant to which this Order relates shall be subject to any Directions which may from time to time be given by the Ministry.

**11.**—(1) This Order may be cited as the Agricultural Machinery (Control) (Northern Ireland) Order, 1943.
