EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make further provision in connection with the introduction of delinked payments by the Agriculture (Delinked Payments and Consequential Provisions) (England) Regulations 2023 (S.I. 2023/1430) ("the Delinked Payments Regulations") to that made by the Agriculture (Delinked Payments) (Reductions) (England) Regulations 2024 (S.I. 2024/691) and by the Agriculture (Delinked Payments) (Reductions) (England) Regulations 2025 (S.I. 2025/568). They extend to England and Wales but apply in relation to England only.

Regulation 3 requires the Secretary of State to make reductions to the amount of a delinked payment calculated by the Secretary of State in respect of a person under paragraph 5 of Schedule 1 to the Delinked Payments Regulations for the years beginning on 1st January 2026 and 1st January 2027. The Secretary of State must reduce the portion of a person's delinked payment that is specified in the first column of the table under regulation 3(2) by the reduction percentage or percentages that are specified in the second column of that table.

Regulation 4 modifies references to a "delinked payment" in Part 3 of the Delinked Payments Regulations so that they are to be construed as references to the amount of a delinked payment after the application of the reduction percentage or percentages for each year applied by the Secretary of State to that payment by virtue of regulation 3.

A full impact assessment has not been produced for this instrument as no, or no significant, impact on the private, voluntary or public sector is foreseen.
