(*b*) as respects each post, bracket or other support on which is mounted a parking meter—

(i) the identification number of the mechanism contained in that parking meter, and

(ii) particulars of any period during which that parking meter was for any reason not in use.

22. The parking authority for a parking place—

(*a*) shall at each parking meter in that parking place provide a notice—

(i) stating the time during which provision is made by the parking place order designating that parking place for the leaving of vehicles in that parking place ;

(ii) stating the amount of charges which may be made for vehicles left in the parking place ; and

(iii) containing such information as to offences and other matters relating to the parking place as they think fit ; and

(*b*) may at each parking meter in that parking place provide a notice giving the name, address and telephone number of the person who may be notified on the parking meter being found to be out of order.

Dated this 29th day of July, 1959.

John S. Maclay,
One of Her Majesty's Principal Secretaries of State.

St. Andrew's House,
Edinburgh, 1.

EXPLANATORY NOTE

(*This Note is not part of the Order, but is intended to indicate its general purport.*)

This Order prescribes the requirements which must be complied with by parking meters used for collecting charges for the parking of vehicles on highways in Scotland at parking places provided under the Road Traffic Act, 1956, where provision is made for the use of meters complying with such requirements. This Order also specifies the steps to be taken by local authorities in connection with the testing and inspection of such meters.
