EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

The Pensions (Governors of Dominions, etc.) Act, 1911, provides for the payment of pensions to Governors of Her Majesty's oversea dominions or of British Protectorates and requires that, in computing the amount of such pensions, account shall be taken of any other pension granted in respect of employment in the service of the Crown. Pension is defined to include Army retired pay. This Order modifies the Act by providing that the reference to Army retired pay shall be construed as including a reference to Air Force retired pay.
