These Regulations impose restrictions on flying in the vicinity of Royal Air Force Syerston, Nottinghamshire, during flying displays that are scheduled to take place there for the Air Cadet National Air and Space Camp on 20th August 2025.

Many aircraft will be involved in high energy manoeuvres during the displays and therefore the Civil Aviation Authority and the Department for Transport agree that flying should be restricted in the vicinity of the event for reasons of public safety.

The times mentioned in regulation 3(1) are Co-ordinated Universal Time (UTC) which is one hour behind British Summer Time (BST).

In relation to the permission mentioned in regulation 3(2)(a), the Royal Air Force Air Cadet National Air and Space Camp flying display director may be contacted as notified.

Full details of this Statutory Instrument will be promulgated by Aeronautical Information Circular (AIC) and Notice to Aviation (NOTAM).
