EXPLANATORY NOTE

(This Note is not part of the Warrant, but is intended to indicate its general purport.)

The Alderney (Application of Legislation) Law, 1948, provides among other things that the taxes, licence fees, impôts and duties (other than tonnage dues and wharfage) leviable by the States of Guernsey from time to time in the Island of Guernsey shall be leviable by the States of Guernsey in the Island of Alderney at the rates from time to time operative as regards the same in the Island of Guernsey. This Law was ratified by His Majesty in Council and it is accordingly necessary to replace the Alderney Parcels (Customs) Warrant 1932 (relating to the examination, for impôt or Import Duty purposes, of parcels posted in the United Kingdom, the Isle of Man and other countries or places and addressed to any place in the Island of Alderney) by a Warrant which is in conformity with the new Law.
