specified in the Tables annexed.

forth in Figures in the Tables to this Act annexed, and denominated respectively "Table of Duties of Customs Inwards" and "Table of Duties of Customs Outwards".

Goods having paid Duties imposed by former Acts to be entitled to Drawbacks.

III. And be it further enacted, That the Amount of Drawbacks granted, allowed, and made payable upon Goods, Wares, and Merchandize exported from or used or consumed in *Great Britain* or *Ireland*, under or by virtue of any Act or Acts in force in *Great Britain* or *Ireland* on or immediately before the said First Day of *September*, shall remain and continue payable with respect to such Goods, Wares, and Merchandizes as, having paid the Duties imposed upon the Importation thereof by any Act or Acts in force on or immediately before the said First Day of *September*, shall from and after the said First Day of *September* be exported from or be so used or consumed in *Great Britain* or *Ireland* respectively.

Duties and Drawbacks to be under the Management of the Commissioners of Customs.

IV. And be it further enacted, That the Duties and Drawbacks by this Act imposed and allowed shall be under the Management of the Commissioners of His Majesty's Customs, and shall be ascertained, raised, levied, collected, paid, and recovered, and allowed, and applied or appropriated, under the Provisions of an Act passed in the present Session of Parliament, intituled *An Act for the general Regulation of the Customs.*

Reciprocal Duties to be levied on Foreign Merchandize, &c.

V. And be it further enacted, That it shall be lawful for His Majesty, by and with the Advice of His Privy Council, by His Order in Council, from Time to Time to order and direct that there shall be levied and collected any additional Duty, not exceeding One Fifth of the Amount of any existing Duty, upon all or any Goods, Wares, or Merchandize the Growth, Produce, or Manufacture of any Country which shall levy higher or other Duties upon any Article the Growth, Produce, or Manufacture of any of His Majesty's Dominions than upon the like Article the Growth, Produce, or Manufacture of any other Foreign Country; and in like Manner to impose such additional Duties upon all or any Goods when imported in the Ships of any Country which shall levy higher or other Duties upon any Goods when imported in *British* Ships than when imported in the National Ships of such Country, or which shall levy higher or other Tonnage or Port or other Duties upon *British* Ships than upon such National Ships, or which shall not place the Commerce or Navigation of this Kingdom upon the Footing of the most favoured Nation in the Ports of such Country; and either to prohibit the Importation of any manufactured Article the Produce of such Country in the event of the Export of the raw Material of which such Article is wholly or in part made being prohibited from such Country to the *British* Dominions, or to impose an additional Duty, not exceeding One Fifth as aforesaid, upon such manufactured Article; and also to impose such additional Duty in the event of such raw Material being subject to any Duty upon being exported from the said Country to any of His Majesty's Dominions; and all Duties imposed by any such Order shall be deemed to be Duties imposed by this Act.

VI. And

Drawback on the Exportation of Foreign Rice or Paddy.

VI. And be it further enacted, That upon the Exportation from the United Kingdom of any Foreign Rice or Paddy which shall have been cleaned therein, and which shall have paid the Duties payable on the Importation thereof under this Act, there shall be allowed and paid for every Hundred Weight thereof a Drawback equal in Amount to the Duty paid on every Four Bushels of the rough Rice or Paddy from which the same shall have been cleaned.

Conditions on which such Drawback is paid.

VII. Provided always, and be it further enacted, That such Drawback upon Rice so exported shall be paid and allowed only upon such clean Rice as shall be deposited for the Purpose of Exportation, within One Calendar Month from the Day on which the Duty thereon had been paid, in some Warehouse (in which Rice may be warehoused on Importation without Payment of Duty), and shall there remain secured until duly shipped to be exported from such Warehouse: Provided also, that the Exporter of such Rice shall make Oath before the Collector or Controller that the Rice so warehoused for Exportation was cleaned from the rough Rice or Paddy upon which the Duties had been so paid.

Warehousing of Goods.

VIII. And be it further enacted, That it shall be lawful for the Importer of any Goods subject to any Duties of Customs to warehouse such Goods upon the first Entry thereof, under the Laws in force for the warehousing of Goods, without Payment of Duty upon such first Entry; and that all Goods which shall have been so warehoused before the Commencement of any such Duties, and shall remain so warehoused after the Commencement of the same, shall become liable to such Duties in lieu of all former Duties.

Cape of Good Hope as Limits of Charter, Mauritius as West Indies.

IX. And be it further enacted, That for the Purposes of this Act the *Cape of Good Hope* and the Territories and Dependencies thereof shall be deemed to be within the Limits of the *East India* Company's Charter; and the Island of *Mauritius* shall be deemed to be one of His Majesty's Sugar Colonies, and placed upon the same Footing in all respects as His Majesty's Islands in the *West Indies*.

Produce of Limits of Charter imported from Malta or Gibraltar.

X. And be it further enacted, That all Goods the Produce of Places within the Limits of the *East India* Company's Charter, having been imported into *Malta* or *Gibraltar* from those Places in *British* Ships, shall, upon subsequent Importation into the United Kingdom direct from *Malta* or *Gibraltar*, be liable to the same Duties as the like Goods would respectively be liable to if imported direct from some Place within the Limits of the said Charter.

An Account of the Amount of hereditary Revenues of the Crown to be kept separate.

XI. And whereas by the Consolidation of the different Branches of the Public Revenue, and of the several Duties payable on the Importation or Exportation of Goods, Wares, and Merchandize, and the Appropriation thereof, as directed by the several Acts in force in *England*, the hereditary and temporary Revenues of the Crown of Subsidies of Tonnage and Poundage, and of other Duties upon Goods,

Goods, Wares, and Merchandize, arising in *England*, are not now kept distinct and separate at the several Offices, but have become blended with other Duties of Customs and Tonnage, both in the Collection and Appropriation thereof: And whereas it is expedient that Provision should be made for ascertaining the annual Amount of what such hereditary Revenues would have produced in case the same had not been so consolidated, and that an Account should hereafter be kept of such annual Amount; be it therefore enacted, That from and after the said First Day of *September* the Lord High Treasurer or Commissioners of His Majesty's Treasury of the United Kingdom of *Great Britain* and *Ireland* for the Time being, or any Three or more of them, shall cause to be prepared and kept an Account of what such hereditary Revenue arising in *England* would have amounted to in case the same had not been and was not consolidated and collected with other Duties of Customs and Tonnage in the Collection and Appropriation thereof, in such Manner and Form as shall appear to the said Lord High Treasurer or Commissioners of His Majesty's Treasury for the Time being best adapted to ascertain such Amount; which Account the said Lord High Treasurer or Commissioners for the Time being are hereby required to make out or cause to be made out and laid before Parliament, together with the Public Accounts directed to be laid before Parliament, pursuant to the Provisions of the several Acts for directing Public Accounts to be laid annually before Parliament.

Not to affect the hereditary Revenue in Scotland.

XII. Provided always, and be it further enacted, That nothing in this Act contained shall extend or be construed to extend to affect or alter the hereditary Revenue of His Majesty, His Heirs and Successors, in *Scotland*, or other Revenues there granted to His late Majesty King *George* the Second during His Life, and reserved to His present Majesty during His Life by an Act passed in the First Year of His present Majesty's Reign, but the same, and the Civil Establishment payable out of the same, shall continue to be paid in like Manner as heretofore, any thing in this Act contained to the contrary notwithstanding.

Duties to be paid into the Exchequer, and carried to the Consolidated Fund.

XIII. And be it further enacted, That all the Monies arising by the Duties imposed by this Act (the necessary Charges of raising and accounting for the same excepted) shall from Time to Time be paid into the Receipt of His Majesty's Exchequer in *Great Britain*, and shall be carried to and made Part of the Consolidated Fund of the United Kingdom of *Great Britain* and *Ireland*, except only as by this Act is specially provided, and shall be appropriated in like Manner and to the same Services as the Duties by this Act repealed would have been if this Act had not been passed.

Duties due before 1st Day of September, levied after that Day, to be deemed Duties under

XIV. And be it further enacted, That all Monies arising from any Duties of Customs, or any Arrears thereof, shall be raised, levied, collected, paid, or received from and after the said First Day of *September*, for or on account of any Goods, Wares, or Merchandize whatever imported or brought into the United Kingdom of *Great Britain* and *Ireland*, or exported from the said United Kingdom, or

brought or carried Coastwise or from Port to Port within the United Kingdom, although the Amount of the said Duties may have been computed and ascertained as such Duties have been computed and ascertained before the said First Day of *September*, and although the Goods, Wares, or Merchandize whereon any such Duties of Customs may have been charged or may be charged may have been imported into or exported from the United Kingdom before the said First Day of *September*, and although any Duties of Customs due and payable or charged or chargeable thereon may have been secured by Bond or otherwise on or before the said First Day of *September*, shall from and after the said First Day of *September* be appropriated and applied in like Manner and to the same Purposes as the Duties of Customs by this Act granted are directed to be appropriated and applied, except as is in this Act provided, any Act or Acts of Parliament, Law, Usage, or Custom to the contrary notwithstanding; and that all Monies arising by any of the Revenues of Customs hereafter to be paid or allowed, either upon Bond or otherwise, either by way of Drawback, Bounty, Certificate, Premium, or Allowance, or by any other legal Document whatever, from and after the said First Day of *September*, although the Amount of the same shall have been computed and ascertained in like Manner in which they have heretofore been usually computed and ascertained, or shall have become due before the said First Day of *September*, shall and may be paid or allowed in like Manner by the proper Officer or Officers of the Customs out of any Monies in their Hands arising from the Duties of Customs respectively. this Act, and appropriated as such.

XV. And be it further enacted, That this Act may be altered, varied, or repealed by any Act or Acts to be passed in this present Session of Parliament. Act may be altered in this Session.
