Animals Disinfection.

THE ANIMALS DISINFECTION (NORTHERN IRELAND) ORDER, 1927, AMENDMENT ORDER, 1931, DATED 21ST FEBRUARY, 1931.

1931. No. 15.

The Ministry of Agriculture for Northern Ireland by virtue and in exercise of the Powers vested in it under the Diseases of Animals Act, 1894, as amended and adapted by any subsequent enactments, and of every other power enabling it in that behalf, orders, and it is hereby ordered as follows :—

Amendment of the Animals Disinfection (Northern Ireland) Order, 1927.

1. Article 12 of the Animals Disinfection (Northern Ireland) Order, 1927, is hereby revoked and the following provisions are substituted therefor :—

12.—(1) The prescribed manner of disinfection to be adopted in the case of any place or thing or part of a place or thing required to be disinfected under this Order, is as follows : The place or thing, or the part thereof, required to be disinfected shall be thoroughly coated or washed with—

(*a*) a five per cent. solution of standard phenol ; or

(*b*) a disinfectant approved by the Ministry for compliance with the provisions of this Order if used at the dilution at which it is so approved.

(2) Every receptacle containing an approved disinfectant shall before being placed on sale or delivered to a purchaser be clearly and distinctly marked by the manufacturer or vendor thereof with a label in the form approved by the Ministry. Such label shall state the dilution at which the disinfectant is approved by the Ministry and shall certify either that the disinfectant consists of standard phenol or that the contents of the receptacle are of the same quality and composition as the sample submitted for examination and upon which the Ministry's approval is based.

(3) A disinfectant contained in a receptacle marked with a label in the form required by this Article shall be deemed to be an approved disinfectant.

(4) Where under any Order of the Ministry the use of an approved disinfectant is required the person using the disinfectant shall, if so required by an Inspector of the Ministry or of a Local Authority or other authorised officer furnish him with a sample of the disinfectant used or permit him to take such sample and shall furnish the Inspector or officer

with all such particulars as may be reasonably required as to the name or the composition of the disinfectant used.

(5) If any disinfectant which is not approved by the Ministry is falsely marked with a statement or indication that it has been so approved, or if any disinfectant purporting to be an approved disinfectant is not marked with a label as required by this Order the manufacturer and the retailer or other person selling the disinfectant, and the person who shall have so marked the disinfectant or caused the same to be so marked, or who shall use the disinfectant knowing the same to have been falsely marked, or omitting so to mark the disinfectant as the case may be, shall be deemed guilty of an offence against the Act of 1894.

Commencement.

2. This Order shall come into operation on the first day of May, nineteen hundred and thirty-one.

Short Title.

3. This Order may be cited as the Animals Disinfection (Northern Ireland) Order, 1927, Amendment Order, 1931.

In witness whereof the official Seal of the Ministry of Agriculture for Northern Ireland is hereunto affixed this twenty-first day of February, 1931.
