EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order replaces certain current anti-dumping and countervailing duty Orders imposing duties at rates expressed by reference to imperial units of measurement. Such duties are to be chargeable on or after 1st January 1972 by reference to metric units. The goods concerned fall within Chapters of the Customs tariff where metric units are to be employed from 1st January 1972. The new rates have been calculated so that they do not involve any increase in duties.

Some spent Orders are included among the Orders revoked.
