EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order imposes an anti-dumping duty of £3·39 per ton on Rumanian ammonium nitrate. The duty is imposed retrospectively in relation to a period beginning on the 1st April 1971 (when such goods became subject to a provisional charge to duty of £5 per ton), and ending on the 22nd June 1971.

The Order applies to the duty Section 2 of the Customs Duties (Dumping and Subsidies) Act 1969, which enables relief to be granted where particular goods have not been dumped or the margin of dumping is less than the amount of the duty.

The Order also revokes the Anti-Dumping (Provisional Charge to Duty) (No. 2) Order 1971 which imposed the provisional charge mentioned above together with a distinct charge upon calcium ammonium nitrate originating in Rumania. The additional £1·61 per ton of any provisional charge paid in respect of Rumanian ammonium nitrate and the whole of any charge paid in respect of Rumanian calcium ammonium nitrate are now refundable.
