EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order makes imports of rape seed originating in Poland or the Soviet Zone of Germany subject to a provisional charge in respect of anti-dumping duty.

The making of the Order enables the Commissioners of Customs and Excise to require security for the payment of any anti-dumping duty which may be imposed retrospectively on such imports in accordance with section 1(1) of the Customs Duties (Dumping and Subsidies) Amendment Act 1968.

If any duty is imposed retrospectively, it may only be so imposed on goods imported while this Order is in force, and its rate may not exceed the rate mentioned in the Schedule to this Order.

This Order expires automatically after three months unless previously revoked or extended (for not more than three months) by a further Order.
