CHAPTER 60.

An Act to apply a sum out of the Consolidated Fund to the service of the year ending the thirty-first day of March one thousand eight hundred and seventy-seven, and to appropriate the Supplies granted in this Session of Parliament. [15th August 1876.]

Most Gracious Sovereign,

WE, Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom of Great Britain and Ireland in Parliament assembled, towards making good the supply which we have cheerfully granted to Your Majesty in this session of Parliament, have resolved to grant unto Your Majesty the sum herein-after mentioned; and do therefore most humbly beseech Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Grant out of Consolidated Fund.

1. The Commissioners of Her Majesty's Treasury for the time being may issue out of the Consolidated Fund of the United Kingdom of Great Britain and Ireland, and apply towards making good the supply granted to Her Majesty for the service of the year ending on the thirty-first day of March one thousand eight hundred and seventy-seven, the sum of twenty-eight million seven hundred and three thousand and forty-three pounds. Issue of 28,703,043*l.* out of the Consolidated Fund.

2. The Commissioners of Her Majesty's Treasury may borrow from time to time on the credit of the said sum of twenty-eight million seven hundred and three thousand and forty-three pounds, any sum or sums of equal or less amount in the whole, and shall repay the moneys so borrowed, with interest not exceeding five pounds per centum per annum, out of the growing produce of the Consolidated Fund at any period not later than the next succeeding quarter to that in which the said sums were borrowed. Power for the Treasury to borrow.

Any sums so borrowed shall be placed to the credit of the account of Her Majesty's Exchequer, and shall form part of the said Consolidated Fund, and be available in any manner in which such fund is available.

Appropriation of Grants.

3. All sums granted by this Act and the other Acts mentioned in Schedule (A.) annexed to this Act out of the said Consolidated Fund towards making good the supply granted to Her Majesty, amounting, as appears by the said Schedule, in the aggregate to the sum of fifty-three million eight hundred and twelve thousand five hundred and ninety-three pounds five shillings and one penny, are appropriated and shall be deemed to have been appropriated as from the date of the passing of the first of the Acts mentioned in the said Schedule (A.) for the purposes and services expressed in Schedule (B.) annexed hereto. Appropriation of sums voted for supply services.

The abstract of schedules and schedules annexed hereto, with the notes (if any) to such schedules, shall be deemed to be part of this Act in the same manner as if they had been contained in the body thereof.

Treasury may, in certain cases of exigency, authorise expenditure unprovided for; provided that the aggregate grants for the navy services and for the army services respectively be not exceeded.

4. If a necessity arise for incurring expenditure not provided for in the sums appropriated to naval and military services by this Act, and which it may be detrimental to the public service to postpone until provision can be made for it by Parliament in the usual course, each of the departments entrusted with the control over the said services shall forthwith make application in writing to the Commissioners of Her Majesty's Treasury for their authority to defray temporarily such expenditure out of any surpluses which may have been or which may be effected by the saving of expenditure upon votes within the same department, and in such application the department shall represent to the Commissioners of the Treasury the circumstances which may render such additional expenditure necessary, and thereupon the said Commissioners may authorise the expenditure unprovided for as aforesaid to be temporarily defrayed out of any surpluses which may have been or which may be effected as aforesaid upon votes within the same department; and a statement showing all cases in which the naval and military departments have obtained the sanction of the said Commissioners to any expenditure not provided for in the respective votes aforesaid, accompanied by copies of the representations made to them by the said departments, shall be laid before the House of Commons with the appropriation accounts of navy and army services for the year, in order that such proceedings may be submitted for the sanction of Parliament, and that provision may be made for the deficiencies upon the several votes for the said services in such manner as Parliament may determine.

The Commissioners of the Treasury shall not authorise any expenditure which may cause an excess upon the aggregate sums appropriated by this Act for naval services and for army services respectively.

Sanction for navy and army expenditure for 1874–75 unprovided for.

5. Whereas the Commissioners of the Treasury, under the powers vested in them by the Act of the session held in the thirty-seventh and thirty-eighth years of the reign of Her present Majesty, chapter fifty-six, have authorised expenditure not provided for in the sums appropriated by the said Act to certain votes for naval and military services for the year ended on the thirty-first day of March one thousand eight hundred and seventy-five, to be in part temporarily defrayed out of the balances unexpended in respect of the sums appropriated to certain other votes for naval and military services for the said year; viz.,

1st. Expenditure for certain navy services unprovided for, temporarily defrayed to the extent of eighty-three thousand five hundred and seventy-four pounds and sevenpence, out of the unexpended balances of certain other votes for navy services:

2d. Expenditure for certain army services unprovided for, temporarily defrayed to the extent of two hundred and eighty-one thousand two hundred and thirteen pounds eleven shillings, out of the unexpended balances of certain other votes for army services, and out of the sum realised in excess of the estimated appropriations in aid:

It is enacted, that the application of the said sums is hereby sanctioned.

Short title of Act.

6. This Act may be cited for all purposes as "The Appropriation Act, 1876."
