[18th August 1882.]

Most Gracious Sovereign,

WE, Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom of Great Britain and Ireland in Parliament assembled, towards making good the supply which we have cheerfully granted to Your Majesty in this session of Parliament, have resolved to grant unto Your Majesty the sum herein-after mentioned; and do therefore most humbly beseech Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Grant out of Consolidated Fund.

Issue of 34,357,774*l.* out of the Consolidated Fund.

1. The Commissioners of Her Majesty's Treasury for the time being may issue out of the Consolidated Fund of the United Kingdom of Great Britain and Ireland, and apply towards making good the supply granted to Her Majesty for the service of the year ending on the thirty-first day of March one thousand eight hundred and eighty-three, the sum of thirty-four million three hundred and fifty-seven thousand seven hundred and seventy-four pounds.

Power for the Treasury to borrow.

2. The Commissioners of Her Majesty's Treasury may borrow from time to time, on the credit of the said sum of thirty-four million three hundred and fifty-seven thousand seven hundred and seventy-four pounds, any sum or sums of equal or less amount in the whole, and shall repay the moneys so borrowed, with interest not exceeding five pounds per centum per annum, out of the growing

produce of the Consolidated Fund at any period not later than the next succeeding quarter to that in which the said moneys were borrowed.

Any moneys so borrowed shall be placed to the credit of the account of Her Majesty's Exchequer, and shall form part of the said Consolidated Fund, and be available in any manner in which such fund is available.

Appropriation of Grants.

Appropriation of sums voted for supply services.

3. All sums granted by this Act and the other Acts mentioned in Schedule (A.) annexed to this Act out of the said Consolidated Fund towards making good the supply granted to Her Majesty, amounting, as appears by the said Schedule, in the aggregate, to the sum of fifty-six million eight hundred and seventy-five thousand seven hundred and twelve pounds fourteen shillings and tenpence, are appropriated and shall be deemed to have been appropriated as from the date of the passing of the first of the Acts mentioned in the said Schedule (A.) for the purposes and services expressed in Schedule (B.) annexed hereto.

The abstract of schedules and schedules annexed hereto, with the notes (if any) to such schedules, shall be deemed to be part of this Act in the same manner as if they had been contained in the body thereof.

Treasury may, in certain cases of exigency, authorise expenditure unprovided for; provided that the aggregate grants for the navy services and for the army services respectively be not exceeded.

4. If a necessity arise for incurring expenditure not provided for in the sums appropriated to naval and military services by this Act, and which it may be detrimental to the public service to postpone until provision can be made for it by Parliament in the usual course, each of the departments entrusted with the control over the said services shall forthwith make application in writing to the Commissioners of Her Majesty's Treasury for their authority to defray temporarily such expenditure out of any surpluses which may have been or which may be effected by the saving of expenditure upon votes within the same department, and in such application the department shall represent to the Commissioners of the Treasury the circumstances which may render such additional expenditure necessary, and thereupon the said Commissioners may authorise the expenditure unprovided for as aforesaid to be temporarily defrayed out of any surpluses which may have been or which may be effected as aforesaid upon votes within the same department; and a statement showing all cases in which the naval and military departments have obtained the sanction of the said Commissioners to any expenditure not provided for in the respective

votes aforesaid, accompanied by copies of the representations made to them by the said departments, shall be laid before the House of Commons with the appropriation accounts of navy and army services for the year, in order that such proceedings may be submitted for the sanction of Parliament, and that provision may be made for the deficiencies upon the several votes for the said services in such manner as Parliament may determine.

The Commissioners of the Treasury shall not authorise any expenditure which may cause an excess upon the aggregate sums appropriated by this Act for naval services and for army services respectively.

Sanction for navy and army expenditure for 1880-81 unprovided for.

5. Whereas the Commissioners of the Treasury, under the powers vested in them by the Act of the session held in the forty-third and forty-fourth years of the reign of Her present Majesty, chapter forty, have authorised expenditure not provided for in the sums appropriated by the said Act to certain votes for naval and military services for the year ended on the thirty-first day of March one thousand eight hundred and eighty-one, to be temporarily defrayed out of the balances (including surpluses of appropriations in aid) unexpended in respect of the sums appropriated to certain other votes for naval and military services for the said year; viz.,

1st. Expenditure of one hundred and two thousand four hundred and twenty-five pounds twelve shillings and ninepence for certain navy services unprovided for, temporarily defrayed out of the unexpended balances of certain votes for navy services, aided by the sum realised in excess of the estimated appropriations in aid.

2d. Expenditure of two hundred and thirty-two thousand four hundred and seventy-seven pounds nineteen shillings and threepence for certain army services unprovided for, temporarily defrayed out of the unexpended balances of certain votes for army services, aided by the sum realised in excess of the estimated appropriations in aid:

It is enacted, that the application of the said sums is hereby sanctioned.

Declaration required in certain cases before receipt of sums appropriated.

6. A person shall not receive any part of a grant which may be made in pursuance of this Act for half pay, or army, navy, or civil non-effective services until he has subscribed such declaration as may from time to time be prescribed by a warrant of the Commissioners of Her Majesty's Treasury before one of the persons prescribed by such warrant.

A.D. 1882.

Provided that, whenever any such payment is made at more frequent intervals than once in a quarter, the Commissioners of Her Majesty's Treasury may dispense with the production of more than one declaration in respect of each quarter.

Any person who makes a declaration for the purpose of this section, knowing the same to be untrue in any material particular, shall be guilty of a misdemeanor.

Short title of Act.

7. This Act may be cited for all purposes as the Appropriation Act, 1882.
