CHAPTER 50.

An Act to apply a sum out of the Consolidated Fund to the service of the year ending on the thirty-first day of March one thousand eight hundred and eighty-eight, and to appropriate the Supplies granted in this Session of Parliament. [16th September 1887.]

Most Gracious Sovereign,

WE Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom of Great Britain and Ireland in Parliament assembled, towards making good the supply which we have cheerfully granted to Your Majesty in this session of Parliament, have resolved to grant unto Your Majesty the sum hereinafter mentioned, and do therefore most humbly beseech Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Grant out of Consolidated Fund.

Issue of £34,242,209 out of the Consolidated Fund.

1. The Commissioners of Her Majesty's Treasury for the time being may issue out of the Consolidated Fund of the United Kingdom of Great Britain and Ireland, and apply towards making good the supply granted to Her Majesty for the service of the year ending on the thirty-first day of March one thousand eight hundred and eighty-eight, the sum of thirty-four million two hundred and forty-two thousand two hundred and nine pounds.

Power for the Treasury to borrow.

2. The Commissioners of Her Majesty's Treasury may borrow from time to time, on the credit of the said sum of thirty-four million two hundred and forty-two thousand two hundred and nine pounds, any sum or sums of equal or less amount in the whole, and shall repay the moneys so borrowed, with interest not exceeding five pounds per centum per annum, out of the growing produce of the Consolidated Fund at any period not later than the next succeeding quarter to that in which the said moneys were borrowed.

Any moneys so borrowed shall be placed to the credit of the account of Her Majesty's Exchequer, and shall form part of the said Consolidated Fund, and be available in any manner in which such fund is available.

Appropriation of Grants.

Appropriation of sums voted for supply services.

3. All sums granted by this Act and the other Acts mentioned in Schedule (A.) annexed to this Act out of the said Consolidated Fund towards making good the supply granted to Her Majesty, amounting, as appears by the said schedule, in the aggregate, to the sum of sixty-one million two hundred and forty-seven thousand seven hundred and forty-four pounds are appropriated and shall be deemed to have been appropriated as from the date of the passing of the first of the Acts mentioned in the said Schedule (A.) for the purposes and services expressed in Schedule (B.) annexed hereto.

The abstract of schedules and schedules annexed hereto, with the notes (if any) to such schedules shall be deemed to be part of this Act in the same manner as if they had been contained in the body thereof.

Treasury may, in certain case of exigency, authorise expenditure unprovided for; provided that the aggregate grants for the navy services and for the army services respectively be not exceeded.

4. If a necessity arise for incurring expenditure not provided for in the sums appropriated to naval and military services by this Act, and which it may be detrimental to the public service to postpone until provision can be made for it by Parliament in the usual course, each of the departments entrusted with the control over the said services shall forthwith make application in writing to the Commissioners of Her Majesty's Treasury for their authority to defray temporarily such expenditure out of any surpluses which may have been or which may be effected by the saving of expenditure upon votes within the same department, and in such application the department shall represent to the Commissioners of the Treasury the circumstances which may render such additional expenditure necessary, and thereupon the said Commissioners may authorise the expenditure unprovided for as aforesaid to be temporarily defrayed out of any surpluses which may have been or which may be effected as aforesaid upon votes within the same department; and a statement showing all cases in which the naval and military departments have obtained the sanction of the said Commissioners to any expenditure not provided for in the respective votes aforesaid, accompanied by copies of the representations made to them by the said departments, shall be laid before the House of Commons with the appropriation accounts of navy and army services for the year, in order that such proceedings may be submitted for the sanction of Parliament, and that provision may

be made for the deficiencies upon the several votes for the said services in such manner as Parliament may determine.

The Commissioners of the Treasury shall not authorise any expenditure which may cause an excess upon the aggregate sums appropriated by this Act for naval services and for army services respectively.

Sanction for navy and army expenditure for 1885-86 unprovided for.

5. Whereas the Commissioners of the Treasury, under the powers vested in them by the Act of the session held in the forty-eighth and forty-ninth years of the reign of Her present Majesty, chapter sixty-four, have authorised expenditure not provided for in the sums appropriated by the said Act to certain votes for naval and military services for the year ended on the thirty-first day of March one thousand eight hundred and eighty-six to be temporarily defrayed out of surpluses, effected by the saving of expenditure, on other votes for naval and military services for the said year; viz,

1st. A sum of forty-three thousand five hundred and fifty-eight pounds sixteen shillings and threepence for navy services out of the unexpended balances of certain votes, aided by sums realised in excess of the estimated appropriations in aid:

2nd. A sum of one hundred and thirty-six thousand three hundred and thirty-two pounds eight shillings and ninepence for army services out of the unexpended balances of certain votes, aided by sums realised in excess of the estimated appropriations in aid:

It is enacted that the application of the said sums is hereby sanctioned

Declaration required in certain cases before receipt of sums appropriated.

6. A person shall not receive any part of a grant which may be made in pursuance of this Act for half-pay or army, navy, or civil non-effective services until he has subscribed such declaration as may from time to time be prescribed by a warrant of the Commissioners of Her Majesty's Treasury before one of the persons prescribed by such warrant.

Provided that, whenever any such payment is made at more frequent intervals than once in a quarter, the Commissioners of Her Majesty's Treasury may dispense with the production of more than one declaration in respect of each quarter.

Any person who makes a declaration for the purpose of this section, knowing the same to be untrue in any material particular, shall be guilty of a misdemeanor.

Short title of Act.

7. This Act may be cited for all purposes as the Appropriation Act, 1887.
