Most Gracious Sovereign,

WE, Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom of Great Britain and Ireland in Parliament assembled, towards making good the supply which we have cheerfully granted to Your Majesty in this session of Parliament, have resolved to grant unto Your Majesty the sum herein-after mentioned; and do therefore most humbly beseech Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Grant out of Consolidated Fund.

1. The Commissioners of Her Majesty's Treasury for the time being may issue out of the Consolidated Fund of the United Kingdom of Great Britain and Ireland, and apply towards making good the supply granted to Her Majesty for the service of the year ending on the thirty-first day of March one thousand eight hundred and eighty-nine, the sum of twenty million nine hundred and eighty-four thousand one hundred and ninety-one pounds. Issue of 20,984,191*l.* out of the Consolidated Fund.

2. The Commissioners of Her Majesty's Treasury may borrow from time to time, on the credit of the said sum of twenty million nine hundred and eighty-four thousand one hundred and ninety-one pounds, any sum or sums of equal or less amount in the whole, and shall repay the moneys so borrowed, with interest not exceeding five pounds per centum per annum, out of the growing Power for the Treasury to borrow.

produce of the Consolidated Fund at any period not later than the next succeeding quarter to that in which the said moneys were borrowed.

Any moneys so borrowed shall be placed to the credit of the account of Her Majesty's Exchequer, and shall form part of the said Consolidated Fund, and be available in any manner in which such fund is available.

Appropriation of Grants.

Appropriation of sums voted for supply services.

3. All sums granted by this Act and the other Acts mentioned in Schedule (A.) annexed to this Act out of the said Consolidated Fund towards making good the supply granted to Her Majesty, amounting, as appears by the said schedule, in the aggregate, to the sum of fifty-nine million sixty-seven thousand seven hundred and eighty-one pounds seven shillings and fourpence are appropriated and shall be deemed to have been appropriated as from the date of the passing of the first of the Acts mentioned in the said Schedule (A.) for the purposes and services expressed in Schedule (B.) annexed hereto.

Treasury may, in certain cases of exigency, authorise expenditure unprovided for; provided that the aggregate grants for the navy services and for the army services respectively be not exceeded.

4. If a necessity arise for incurring expenditure not provided for in the sums appropriated to naval and military services by this Act, and which it may be detrimental to the public service to postpone until provision can be made for it by Parliament in the usual course, each of the departments entrusted with the control over the said services shall forthwith make application in writing to the Commissioners of Her Majesty's Treasury for their authority to defray temporarily such expenditure out of any surpluses which may have been or which may be effected by the saving of expenditure upon votes within the same department, and in such application the department shall represent to the Commissioners of the Treasury the circumstances which may render such additional expenditure necessary, and thereupon the said Commissioners may authorise the expenditure unprovided for as aforesaid to be temporarily defrayed out of any surpluses which may have been or which may be effected as aforesaid upon votes within the same department; and a statement showing all cases in which the naval and military departments have obtained the sanction of the said Commissioners to any expenditure not provided for in the respective votes aforesaid, accompanied by copies of the representations made to them by the said departments, shall be laid before the House of Commons with the appropriation accounts of navy and army services for the year, in order that such proceedings may be submitted for the sanction of Parliament, and that provision may be made for the deficiencies upon the several votes for the said services in such manner as Parliament may determine.

The Commissioners of the Treasury shall not authorise any expenditure which may cause an excess upon the aggregate sums appropriated by this Act for naval services and for army services respectively.

Sanction for navy and army expenditure for 1886–87 unprovided for.

5. Whereas the Commissioners of the Treasury, under the powers vested in them by the Appropriation Act, 1886, and the Appropriation Act, 1886, Session 2, have authorised expenditure not provided for in the sums appropriated by the said Acts to certain votes for naval and military services for the year ended on the thirty-first day of March one thousand eight hundred and eighty-seven to be temporarily defrayed out of surpluses, effected by the saving of expenditure, on other votes for naval and military services for the said year; viz.,

1st. A sum of twenty-four thousand seven hundred and seventy pounds thirteen shillings and fourpence for navy services out of the unexpended balances of certain votes, aided by sums realised in excess of the estimated appropriations in aid:

Provided that, whenever any such payment is made at more frequent intervals than once in a quarter, the Commissioners of Her Majesty's Treasury may dispense with the production of more than one declaration in respect of each quarter.

Any person who makes a declaration for the purpose of this section, knowing the same to be untrue in any material particular, shall be guilty of misdemeanor.
