Most Gracious Sovereign,

WE, Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom of Great Britain and Ireland in Parliament assembled, towards making good the supply which we have cheerfully granted to Your Majesty in this session of Parliament, have resolved to grant unto Your Majesty the sum herein-after mentioned; and do therefore most humbly beseech Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Grant out of Consolidated Fund.

Issue of 51,759,260*l.* out of the Consolidated Fund.

1. The Treasury may issue out of the Consolidated Fund of the United Kingdom of Great Britain and Ireland, and apply towards making good the supply granted to Her Majesty for the service of the year ending on the thirty-first day of March one thousand eight hundred and ninety-eight, the sum of fifty-one million seven hundred and fifty-nine thousand two hundred and sixty pounds.

2. The Treasury may borrow from any person, and the Bank of England may advance to the Treasury on the credit of the said sum, any sum or sums not exceeding in the whole the sum of fifty-one million seven hundred and fifty-nine thousand two hundred and sixty pounds, and the Treasury shall repay the moneys so borrowed, with interest not exceeding five pounds per centum per annum, out of the growing produce of the Consolidated Fund at any period not later than the next succeeding quarter to that in which the said moneys were borrowed. Power for the Treasury to borrow.

Any moneys so borrowed shall be placed to the credit of the account of the Exchequer, and shall form part of the said Consolidated Fund, and be available in any manner in which such fund is available.

Appropriation of Grants.

3. All sums granted by this Act and the other Act mentioned in Schedule (A.) annexed to this Act out of the said Consolidated Fund towards making good the supply granted to Her Majesty, amounting, as appears by the said schedule, in the aggregate, to the sum of seventy-eight million three hundred and seventeen thousand seven hundred and ninety-five pounds seventeen shillings and one penny are appropriated and shall be deemed to have been appropriated as from the date of the passing of the first of the Acts mentioned in the said Schedule (A.) for the services and purposes expressed in Schedule (B.) annexed hereto. Appropriation of sums voted for supply services and of sums applied as appropriations in aid.

The abstract of schedules and schedules annexed hereto, with the notes (if any) to such schedules, shall be deemed to be part of this Act in the same manner as if they had been contained in the body thereof.

In addition to the sums hereby granted out of the Consolidated Fund, there may be applied out of any money directed under section two of the Public Accounts and Charges Act, 1891, to be applied as appropriations in aid of the grants for the services and purposes specified in Schedule B. annexed hereto, the sums respectively set forth in the last column of the said schedule. 54 & 55 Vict. c. 24.

4. If a necessity arise for incurring expenditure not provided for in the sums appropriated to naval and military services by this Act, and which it may be detrimental to the public service to postpone until provision can be made for it by Parliament in the usual course, each of the departments entrusted with the control over the said services shall forthwith make application in writing to the Treasury for their authority to defray temporarily such expenditure out of any surpluses which may have been or which may be effected by the saving of expenditure upon votes within the same department, and in such application the department shall represent to the Treasury the circumstances which may render such additional expenditure necessary, and thereupon the Treasury may authorise the expenditure unprovided for as aforesaid to be temporarily defrayed out of any surpluses which may have been or which may be effected as aforesaid upon votes within the same department; and a statement showing all cases in which the naval and military departments have obtained the sanction of the Treasury may, in certain cases of exigency, authorise expenditure unprovided for; provided that the aggregate grants for the navy services and for the army services respectively be not exceeded.

Treasury to any expenditure not provided for in the respective votes aforesaid, accompanied by copies of the representations made to them by the said departments, shall be laid before the House of Commons with the appropriation accounts of navy and army services for the year, in order that such proceedings may be submitted for the sanction of Parliament, and that provision may be made for the deficiencies upon the several votes for the said services in such manner as Parliament may determine.

The Treasury shall not authorise any expenditure which may cause an excess upon the aggregate sums appropriated by this Act for naval services and for army services respectively.

Sanction for navy and army expenditure for 1895–96 unprovided for, 58 & 59 Vict. c. 31. 59 Vict. c. 6.

1st. A sum of seventy-eight thousand seven hundred and seventy-nine pounds and tenpence for navy services out of the unexpended balances of certain votes:

2nd. A sum of sixty-eight thousand seven hundred and eight pounds five shillings and fourpence, for army services out of the unexpended balances of certain votes.

Provided that, whenever any such payment is made at more frequent intervals than once in a quarter, the Treasury may dispense with the production of more than one declaration in respect of each quarter.

Any person who makes a declaration for the purpose of this section, knowing the same to be untrue in any material particular, shall be guilty of a misdemeanor.
