CHAPTER 45

An Act to apply a sum out of the Consolidated Fund to the service of the year ending on the thirty-first day of March, one thousand nine hundred and sixty-three, and to appropriate the supplies granted in this Session of Parliament [1st August, 1962]

Most Gracious Sovereign,

WE, Your Majesty's most dutiful and loyal subjects the Commons of the United Kingdom in Parliament assembled, towards making good the supply which we have cheerfully granted to Your Majesty in this Session of Parliament, have resolved to grant unto Your Majesty the sum hereinafter mentioned; and do therefore most humbly beseech Your Majesty that it may be enacted, and be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

GRANT OUT OF CONSOLIDATED FUND

Issue of £3,402,234,997 out of the Consolidated Fund for the service of the year ending 31st March, 1963.

1. The Treasury may issue out of the Consolidated Fund of the United Kingdom, and apply towards making good the supply granted to Her Majesty for the service of the year ending on the thirty-first day of March, one thousand nine hundred and sixty-three, the sum of three thousand, four hundred and two million, two hundred and thirty-four thousand, nine hundred and ninety-seven pounds.

Power for the Treasury to borrow.

2.—(1) The Treasury may borrow from any person, by the issue of Treasury Bills or otherwise, and the Bank of England and the Bank of Ireland may advance to the Treasury on the credit of the said sum, any sum or sums not exceeding in the whole three thousand, four hundred and two million, two hundred and thirty-four thousand, nine hundred and ninety-seven pounds.

(2) The date of payment of any Treasury Bills issued under this section shall be a date not later than the thirty-first day of March, one thousand nine hundred and sixty-three, and section six of the Treasury Bills Act, 1877 (which relates to the renewal of bills) shall not apply with respect to those bills.

40 & 41 Vict. c. 2.

(3) Any money borrowed otherwise than on Treasury Bills shall be repaid, with any interest payable thereon, out of the Consolidated Fund, at any period not later than the next succeeding quarter to that in which the money was borrowed.

(4) Any money borrowed under this section shall be placed to the credit of the account of the Exchequer, and shall form part of the said Consolidated Fund, and be available in any manner in which such Fund is available.

APPROPRIATION OF GRANTS

Appropriation of sums voted for supply services.

3. All sums granted by this Act and the other Acts mentioned in Schedule (A) annexed to this Act out of the said Consolidated Fund towards making good the supply granted to Her Majesty amounting, as appears by the said schedule, in the aggregate, to the sum of five thousand, eight hundred and fifty-one million, four hundred and nine thousand, four hundred and eighty-one pounds, eight shillings and ninepence are appropriated, and shall be deemed to have been appropriated as from the date of the passing of the Acts mentioned in the said Schedule (A), for the services and purposes expressed in Schedule (B) annexed hereto.

The abstract of schedules and schedules annexed hereto, with the notes (if any) to such schedules, shall be deemed to be part of this Act in the same manner as if they had been contained in the body thereof.

In addition to the said sums granted out of the Consolidated Fund, there may be applied out of any money directed, under section two of the Public Accounts and Charges Act, 1891, to be applied as appropriations in aid of the grants for the services and purposes specified in Schedule (B) annexed hereto the sums respectively set forth in the last column of the said schedule. 54 & 55 Vict. c. 24.

Sanction of Treasury for temporary application of surpluses on certain votes for Navy, Army and Air Services, to meet deficiencies on other votes for the same service.

4.—(1) So long as the aggregate expenditure on Navy, Army and Air Services respectively is not made to exceed the aggregate sums appropriated by this Act for those services respectively, any surplus arising on any vote for those services either by an excess of the sum realised on account of appropriations in aid of the vote over the sum which may be applied under this Act as appropriations in aid of that vote, or by saving of expenditure on that vote, may, with the sanction of the Treasury, be temporarily applied either in making up any deficiency in the sums realised on account of appropriations in aid of any other vote in the same department, or in defraying expenditure in the same department which is not provided for in the sums appropriated to the service of the department by this Act, and which it may be detrimental to the public service to postpone until provision can be made for it by Parliament in the usual course.

(2) A statement showing all cases in which the sanction of the Treasury has been given to the temporary application of a surplus under this section, and showing the circumstances under which

the sanction of the Treasury has been given, shall be laid before the House of Commons with the appropriation accounts of the Navy, Army and Air Services for the year, in order that any temporary application of any surplus sanctioned by the Treasury under this section may be submitted for the sanction of Parliament.

Sanction for application of surpluses on certain Navy, Army and Air Votes for 1960–61.
8 & 9 Eliz. 2. c. 45.
9 & 10 Eliz. 2. c. 59.

5. Whereas under the powers given for the purpose by the Appropriation Acts, 1960 and 1961, surpluses arising on certain votes for Navy, Army and Air Services have been applied towards making good deficits on those services respectively as shown in the statements set out in Schedule (C) to this Act:

It is enacted that the application of those surpluses as shown in the said statements is hereby sanctioned.

Short title.

6. This Act may be cited as the Appropriation Act, 1962.
