EXPLANATORY NOTE

(This Note is not part of the Rules.)

These Rules amend the Approved School Rules 1933.

By virtue of section 7(5) of the Children and Young Persons Act 1969 (c.54) the power to make approved school orders is abolished as from 1st January 1971. The Act substitutes for the approved school order a care order committing the child or young person concerned to the care of a local authority.

These Rules take account of the fact that under the 1969 Act persons subject to care orders who are accommodated in an approved school are in the care of the local authority who have certain statutory responsibilities in respect of such persons.

In accordance with the changes mentioned above, Rules 3 to 6 make minor amendments to the Rules and Rule 7 revokes the Rules relating to the notification of arrivals, home leave and the duties of Managers in connection with the release of boys on licence and their supervision and after-care ; the statutory provisions in this behalf are repealed by the 1969 Act.

Rule 8 requires the Headmaster to notify the local authority in whose care a boy is of any case of death, serious illness, infectious disease or accident.
