EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations prescribe the contributions to be made by the local authority named in an approved school order towards the expenses of the managers of the school in respect of the person to whom the order relates during the time when that person is under the care of those managers. They replace the Regulations revoked by Regulation 3, and differ from them in that the contribution is raised from £5 17s. 3d. a week to £6 9s. 6d. a week, and in omitting the provision that the Regulations should not apply to a local authority named in an approved school order where the managers of the school in question are that local authority or a joint committee upon which that local authority is represented.
