SCHEDULE TO THE RULES

General Nursing Council for England and Wales

Scheme made under Paragraph 4 of the First Schedule to the Nurses Act, 1943, for the election of four members of the Assistant Nurses Committee of the General Nursing Council for England and Wales.

Interpretation

1. Unless the context otherwise requires, expressions used in this Scheme have the same meanings as in the Assistant Nurses Rules, 1952.

Returning Officer

2.—(1) The Council shall in the case of the first election under this Scheme, before the 8th day of December, 1952, and in the case of subsequent elections at least six months before the date on which the elected members of the Committee cease to hold office appoint a person, not being a member of the Council or of any Committee thereof, to be the Returning Officer for the ensuing election.

(2) The Returning Officer shall appoint a Deputy Returning Officer, not being a member of the Council or of any Committee thereof, to act for him in the event of his absence or inability to act, and the expression "Returning Officer" in this Scheme includes the Deputy Returning Officer so acting.

(3) The Returning Officer shall have power, subject to the approval of the Council, to employ and pay out of monies received from the Council the staff necessary for the conduct of the election.

(4) Subject to the provisions of this Scheme, the Returning Officer shall be responsible for the conduct of the election.

Qualifications of Candidates and Electors

3. In order to be eligible for election under this Scheme as one of the four elected members of the Committee a person must be a registered nurse or an enrolled assistant nurse on the date of the election and in order to be entitled to nominate candidates or to vote in the election, a person must be an enrolled assistant nurse on that date.

Publication of Notice of Election

4. The Returning Officer shall fix the last day on which nomination papers are to be received, and at least twenty-eight clear days before the day so fixed, shall cause a notice of the election to be published, specifying the number and description of persons to be elected, the place where the nomination papers are to be sent in, and the last day on which they are to be received. The notice shall be published in two or more newspapers circulating in England and Wales, Scotland and Northern Ireland, and shall be, as nearly as may be, in the form marked A in the Appendix to this Scheme.

Nomination

5.—(1) Each candidate for election shall be nominated on a separate nomination paper signed by not fewer than six enrolled assistant nurses. No person may nominate more than four candidates.

(2) Each nomination paper shall contain the name, address and qualification or qualifications of the person nominated, and also the address and enrolment number of each person signing it, and shall be, as nearly as may be, in the form marked B in the Appendix to this Scheme.

(3) Every nomination paper shall, before twelve noon on the last day fixed for the receipt of nomination papers, be delivered by post or otherwise to the Returning Officer, General Nursing Council for England and Wales, 23, Portland Place, London, W.1, and shall be accompanied by a declaration in writing, signed by the person nominated, in the form marked C in the Appendix to this Scheme

or to the like effect, acknowledging that such person consents to be nominated. Every nomination paper in respect of which any requirement of this Scheme has not been complied with, or which is not received by the Returning Officer before twelve noon on the last day fixed for the receipt of nomination papers, shall be invalid. Provided that no misnomer or inaccurate or incomplete description of any person or place named in any nomination paper shall invalidate that paper if, in the opinion of the Returning Officer, the description of the person or place is such as to be commonly understood.

(4) As soon as possible after the time fixed for the receipt of nomination papers has expired, the Returning Officer shall publish at the offices of the Council a list of the duly nominated candidates and on the same day shall send a copy of this list by registered post to each of them. Before twelve noon on the seventh day from the date of publication of the list, a candidate may withdraw from the poll by delivering by post or otherwise to the Returning Officer a written notice of withdrawal and on receipt thereof the Returning Officer shall expunge the name of such candidate from the list. No notice of withdrawal received after twelve noon on the seventh day shall be valid.

Conduct of Election

6.—(1) If the number of duly nominated candidates does not exceed four, the Returning Officer shall forthwith declare such candidates to be elected.

(2) If the number of duly nominated candidates exceeds four, the Returning Officer shall cause ballot papers and identification envelopes to be prepared. Ballot papers shall contain the names, addresses and qualification or qualifications of all the persons who have been nominated, and whose names have not been expunged from the list, and shall state the last day on which ballot papers may be received, and the place to which they are to be returned. The identification envelope shall bear a declaration of identity.

Ballot papers and identification envelopes shall be, as nearly as may be, in the forms marked D and E in the Appendix to this Scheme.

(3) The Returning Officer shall, twenty-one clear days at least before the last day fixed for the receipt of ballot papers, cause a ballot paper to be forwarded by post to each person qualified to vote in the election at her registered address, together with an identification envelope. Each elector shall be entitled to receive one ballot paper and one identification envelope, and no more, and votes shall not be given except upon the ballot papers provided by the Returning Officer.

(4) Each elector shall mark the ballot paper delivered to her with a X against the name or names of the person or persons (not exceeding four), for whom she votes, and shall place her ballot paper in the identification envelope which shall be securely fastened. The elector shall sign the declaration printed on the said envelope, place it inside a covering envelope, and send it by post or otherwise to the Returning Officer at the above-named address. Every ballot paper in respect of which any requirement of this Scheme has not been complied with, or on which the elector has placed any mark whereby she may be afterwards identified or which is not received by the Returning Officer before twelve noon on the last day fixed for the receipt of ballot papers, shall be invalid.

(5) The Returning Officer, immediately after the last day fixed for the receipt of ballot papers, shall cause the validity of the votes to be ascertained by an examination of the identification envelopes and by such other evidence, if any, as he may think necessary, and shall cause such of the identification envelopes as are found to be valid to be opened, and the ballot papers withdrawn, and placed in a ballot box. When all the ballot papers have been transferred to the ballot box they shall be examined and counted, and the number of valid votes given for each candidate shall be ascertained. Any candidate, or agent appointed by her in writing to represent her, may be present during the examination of the identification envelopes and the counting of the ballot papers, and accordingly the Returning Officer shall notify each candidate of the time and place of the examination and counting.

(6) The four candidates having the greatest number of votes shall be declared elected by the Returning Officer. If an equality of votes is found to exist between any of the candidates and the addition of a vote would entitle any of such candidates to be declared elected, the Returning Officer shall determine by lot which of the candidates whose votes are equal shall be declared elected.

Powers of Returning Officer

7. Any question arising with regard to the validity of a nomination or ballot paper, or otherwise in connection with any election held under this Scheme, shall be determined by the Returning Officer.

Notice of Result of Election

8. The Returning Officer shall forthwith give to every candidate written notice of the result of the election, and shall furnish the Council with a list of the persons certified by him to have been duly elected, showing the number of votes cast for each of such persons.

Secrecy of Ballot

9. The Returning Officer, and every officer, clerk, or servant employed in connection with the election shall maintain, and aid in maintaining, the secrecy of the ballot, and shall not communicate to any person any information as to the manner in which any elector has recorded her vote.

Validity of Election

10.—(1) Any candidate unsuccessful at the poll may either personally or by her agent appointed in writing notify the Returning Officer within fourteen days after the declaration of the result of the election that she contests the validity of the election on the ground of non-compliance with the provisions of this Scheme, or of any misdescription or miscount, or of the non-delivery, loss or miscarriage of any document.

(2) If after consideration of the contention disclosed in the notice, the Returning Officer is satisfied that the election was conducted substantially in accordance with the provisions of this Scheme and that any non-compliance, misdescription, miscount, non-delivery, loss or miscarriage did not affect the result of the election, he may, within fourteen days of receiving such notice, so certify. In that event he shall forward a copy of his certificate to the unsuccessful candidate, who may within seven days of receiving such copy, appeal to the Minister of Health.

(3) Where the Returning Office does not so certify, he shall not later than the fifteenth day after receiving the notice forward a copy thereof to the Minister of Health together with such comments as he shall think fit.

(4) The Minister shall consider any appeal made under sub-paragraph (2) or any notice received under sub-paragraph (3) hereof and his decision as to whether the result of the election was affected by any non-compliance, misdescription, miscount, non-delivery, loss or miscarriage, shall be final. In the event of the Minister deciding that the result of the election was so affected, a fresh election in respect of all four seats on the Committee shall take place.
