EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order provides that for the purposes of section 1 of the Industrial Development Act 1982 (the 1982 Act) and section 1 of the Derelict Land Act 1982, and as from 29th November 1984, the areas described in Schedule 1 will be development areas, and the areas described in Schedule 2 will be intermediate areas. The Order revokes all earlier Assisted Areas Orders with appropriate saving provisions.

2. Description of the new areas is largely by reference to travel to work areas (areas mentioned in section 1(4) of the 1982 Act as inserted by section 4 of the Co-operative Development Agency and Industrial Development Act 1984). These are areas by reference to which the Secretary of State publishes unemployment statistics, and are listed in heavy type in Appendix 4 to Occasional Supplement No 3 to the Employment Gazette published by the Department of Employment (Volume 92 No 9 of September 1984). Copies of this are available from branches of Her Majesty's Stationery Office.

3. As respects Scotland, information as to the geographical extent of the travel to work areas in question is available from the Industry Department for Scotland at Alhambra House, 45 Waterloo Street, Glasgow G2 6AT; as respects Wales, from the Welsh Office Industry Department at Cathays Park, Cardiff CF1 3NQ; and as respects the region of England for which it is responsible, from the appropriate Regional Office of the Department of Trade and Industry.

4. In Schedule 2, intermediate areas within the Metropolitan County of Greater Manchester are described by reference to electoral wards and, in the case of the Borough of Tameside, by reference to that area in its entirety. A map showing the geographical extent of all areas so described is available for inspection at the North Western Regional Office of the Department of Trade and Industry at Sunley Building, Piccadilly Plaza, Manchester M1 4BA. The Orders referred to in Schedule 2 are available from branches of Her Majesty's Stationery Office, except the City of Manchester (Wards) Order 1971 which is available for inspection at the North Western Regional Office.

5. Areas described in the Schedules are as they existed on the dates given in Article 7 of the Order.
