Council as governing body

7. For the purpose of carrying this scheme into effect the Council shall be the governing body of the Banffshire Education Trust, as statutory successors to the County Council of the County of Banff in accordance with the terms of section 128 of the Local Government (Scotland) Act 1973.

Business arrangements

8. The business of the endowment shall stand referred to the Education Committee of the Council, and the Council before exercising any power conferred upon them under this scheme shall, unless in their opinion the matter is urgent, receive and consider the report of the said Committee with respect to the matter in question, provided that it shall be in the power of the Council to delegate any or all of their said powers to the said Committee. The said business may be transacted either at ordinary meetings of the Council or of the said Committee or at meetings summoned for the purpose which shall be convened and conducted according to the ordinary rules and practice of the Council or of the said Committee.

Rules

9. It shall be in the power of the Council to make such rules as they think fit for the exercise of their functions under this scheme, provided that the said rules shall not be inconsistent with the provisions of this scheme.

Conditions of award of bursaries, etc

10.—(1) When awarding bursaries, scholarships or grants under this scheme, the Council shall—

(*a*) satisfy themselves by such means as they think fit of the attainment, merit and promise of each candidate to whom they make an award; for this purpose they may take into account the candidate's academic record at school, university or other institution of further or higher education, and

(*b*) have regard to the financial circumstances of each candidate and to the expenses likely to be incurred by him and take account of any other bursaries or grants awarded to the candidate.

Withdrawal of awards

12. The Council shall require the holder of any bursary, scholarship or grant under this scheme to satisfy them that he is making satisfactory progress in his course of study. If in the opinion of the Council any such holder shall be guilty of serious misconduct or shall fail to make reasonable progress, the Council may withdraw the bursary, scholarship or grant or suspend the holder from the benefits thereof, and their decision in any such case shall be final.

Powers of investment

14. In regard to the investment of the funds constituted or continued by this scheme, or of additional endowments received in terms of paragraph 15, the Council shall have all powers competent to them under the Common Law of Scotland as a body corporate.

Additional donations

15. It shall be in the power of the Council to receive donations, legacies, annuities, subscriptions and other gifts (hereinafter referred to as "additional donations") for the purposes of this scheme, or for purposes connected therewith. Such additional donations shall be applied in accordance with the directions of the respective testators or donors. In the absence of any specific direction relating thereto the Council shall add any additional donation to the capital or the income of the Trust or in such proportions as they think fit to both the said capital and income.

Where the Council incur capital expenditure under this scheme they may borrow money or make drafts upon the capital of the endowment, provided that a sum shall annually be set aside by the Council sufficient to repay the loan or draft within such number of years not exceeding thirty as the Council consider reasonable having regard to the purpose for which the capital expenditure is required. The Council shall be entitled to make drafts upon capital equivalent to any sums added to capital under the Scheme of 1936 or paragraph 19(2) of this scheme without setting aside annual income to repay such drafts.

Redemption of periodical payments

17. Where any annual or other periodical payment is made to the Council under any deed of mortification or other instrument or under this scheme, it shall be lawful for the Council to enter into an agreement with the debtor in the obligation for the redemption of the said payment, provided that the sum to be paid to the Council shall be sufficient when invested under the powers contained in paragraph 14 of this scheme to yield an income equivalent to the said payment.

Variation of preferences, etc.

18. If at any time the ratio between the income of the endowment and the sums set forth in this scheme shall be materially altered by an increase or decrease in the said income, it shall be in the power of the Council, with the approval of the Secretary of State, to restore the said ratio by making an increase or decrease in the said sums.

PART V

PURPOSES OF THE TRUST

1. *Application of Income*

Application of income

19.—(1) The Council, after paying the necessary expenses of management and the burdens and taxes affecting the Trust shall in each financial year apply as nearly as possible the whole of the free income of the Trust, including any balance carried forward from the previous financial year under sub-paragraph (2) of this paragraph, in the following manner:—

If any school mentioned in column (2) of Schedule 3 is discontinued in whole or in part, it shall be in the power of the Council to make the special payment to the head teacher of the school or schools to which the majority of the pupils formerly attending the school or part of a school which has been discontinued were transferred.

(*b*) they shall pay the bursaries and prizes to be awarded under paragraphs 20 and 21 of this scheme, and

(*c*) they shall apply the balance of the free annual income in conformity with plans to be approved from time to time in accordance with paragraph 22 of this scheme, provided always that no expenditure shall be incurred under the approved plan in relief of expenditure which would in the absence of the endowment ordinarily be incurred from any other fund.

(2) If at the end of any financial year there is an unexpended balance of income it shall be in the power of the Council to carry the said balance or part thereof forward to the following financial year or to add the said balance or part thereof to the capital of the Trust.

2. *Special Purposes*

Scheduled bursaries

20.—(1) The Council shall, as vacancies occur, award—

The names of the prizes affected shall be incorporated so far as is practicable in the names of the conjoined prize, and in the award of such conjoined prizes due regard shall be paid to any preference associated with one or more of the constituent prizes.

(4) It shall be in the power of the Council to decide the particular form a prize shall take.

(5) In awarding a prize to the pupils of any school the Council shall have regard to the views of the head teacher of that school, who before submitting his views shall consult the teachers concerned.

Such sums shall be additional to funds which the Council as Education Authority may reasonably be expected to provide for similar purposes. Wherever possible the projects should be allied to the subject or department shown in column (5) of Schedule 5.

3. *Plan Purposes*

They may at any time, and shall if and when so required by the Secretary of State, prepare and submit for his approval a revised plan or an amendment of the existing plan. Plans shall be in the form prescribed in Schedule 6 and shall be completed in accordance with the instructions given in the said Schedule. The Council shall furnish the Secretary of State with such additional information as he may require.

(2) The Secretary of State may, after considering any representations made to him on the subject by any party interested and after such consultation if any, as he considers necessary, approve with or without amendment the plan, revised plan or amendment submitted to him under this paragraph, and thenceforth it shall be the duty of the Council to carry the same into effect as so approved and in so doing to give effect to the provisions of paragraph 23 relating to preferences.

(2) There shall be added each year to the sum set forth in column (3) of Part I of Schedule 7 opposite to the name of each of the areas mentioned in column (1) of Part II of Schedule 7 a sum equal to the net income derived in the preceding year from the heritable property described in column (2) of Part II of Schedule 7 opposite to the said name. If the Council sell any of the said property, the Council shall with the approval of the Secretary of State increase the sum set forth opposite the name of the appropriate area in column (3) of Part I of the said Schedule by the amount of the income which the sum realised by the sale is expected to produce when invested under the powers contained in paragraph 14 of this scheme.

(3) If the school named in column (2) of the said Schedule is discontinued, it shall be in the power of the Council to make the payment of the sum set forth in column (3) opposite the name of the school, to the school to which the majority of the pupils formerly attending the discontinued school were transferred.
