Cap. xcvi.

An Act for granting further Powers to the *Belfast* Gaslight Company. [19th *June* 1865.]

WHEREAS by "The *Belfast* Gas Act, 1852," in this Act called the Act of 1852, the Share Capital of the *Belfast* Gaslight Company, in this Act called the Company, was fixed at the Sum of One hundred and six thousand Pounds, and the Company were authorized to borrow Eighteen thousand six hundred and sixty-six Pounds: And whereas the Company have raised and expended upon their Undertaking nearly the whole of the Share Capital authorized to be raised, and they have borrowed and now owe Eighteen thousand six hundred and sixty-six Pounds, or thereabouts: And whereas the Buildings and Population within the Limits of the Act of 1852 have of late Years greatly increased and are still increasing, and it is necessary that the Capital of the Company should be increased for the Purpose of extending their Supply of Gas: And whereas by the Act of 1852 the Company is empowered to purchase and hold Lands for the Purposes of their Undertaking, not exceeding in the whole Eight Statute Acres, and it is expedient that the Company should have Power to purchase and hold additional

Lands: And whereas the Sum of Fifty-six thousand Pounds, Part of the Capital of the Company raised by Shares, is divided into Seven hundred Shares of the nominal Value of Eighty Pounds each, and the remaining Share Capital of the Company is divided into Shares of Twenty Pounds each, and it is expedient that the Company should be authorized to divide each of their Eighty Pounds Shares into Four Shares of the nominal Value of Twenty Pounds each: And whereas it is expedient to make Provision for the holding of half-yearly Meetings of the Company, and for regulating the Scale of voting: And whereas it is also expedient that the Company should be authorized to convert, manufacture, sell, or dispose of the residual Products arising from the Manufacture of Gas, and that they should be enabled to acquire by way of Licence the Power of exercising Patent Rights in relation to the Manufacture and Distribution of Gas and the Utilisation of the residual Products arising from such Manufacture or otherwise relating thereto: And whereas it is expedient that some of the Powers and Provisions of the Act of 1852 should be altered and amended, and that further Powers should be conferred upon the Company, but the Objects aforesaid cannot be effected without the Authority of Parliament: May it therefore please Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows; that is to say,

Power to raise additional Capital.

1. In addition to the Sum of One hundred and six thousand Pounds, already raised by Shares or authorized to be raised by Shares under the Authority of the Act of 1852, the Company may from Time to Time raise any further Sums, not exceeding Ninety-four thousand Pounds, by the Creation of new Shares in their Undertaking of the nominal Value of Twenty Pounds each, and such further Sums may be raised by new Ordinary Shares or Preference Shares or partly by either of those Modes at the Option of the Company.

Limiting Rate of Dividends.

2. The prescribed Rate of Profit to be received by the Undertakers shall not exceed the Rate of Seven Pounds *per Centum* in any Year on any Part of the additional Share Capital by this Act authorized which may be raised by new Ordinary Shares, nor the Rate of Six Pounds *per Centum per Annum* on any Part which may be raised by Preference Shares.

Limit of Amount and Number of Calls.

3. The Amount of any One Call to be made upon the Shares created under the Powers of this Act shall not exceed One Fourth of the Amount of such Shares; and there shall be an Interval of Two Months at least between every Two successive Calls, and not more than

than Three Fourths of the Amount of each Share shall be called up in any One Year.

New Shares to form Part of general Capital of Company.

4. All Shares to be created by the Company under the Authority of this Act shall, subject to the Provisions of this Act, form Part of the general Capital of the Company.

New Shares not to issue until One Fifth Part shall have been paid up.

5. The Company shall not issue any Share for raising any Part of the new Capital of Ninety-four thousand Pounds by this Act authorized, nor shall any such Share vest in the Person accepting the same, unless and until a Sum not being less than One Fifth Part of the Amount of such Share shall have been paid up in respect thereof.

Power to divide 80*l.* Shares into 20*l.* Shares.

6. The Company, with the Consent of Three Fifths at least of the Votes of the Shareholders present by person or by proxy at a General Meeting convened with special Notice of the Purpose, may divide their Seven hundred Shares of the nominal Value of Eighty Pounds each into Two thousand eight hundred Shares of the nominal Value of Twenty Pounds each, and such Shares are herein-after called Divided Shares.

Divided Shares to vest in Holders of old Shares.

7. Every Person and Corporation who immediately before such Division was entitled to One or more of the Eighty Pounds Shares in the said Company shall, in lieu of each such Share, be entitled to Four Shares of Twenty Pounds each, and such Divided Shares shall vest in such Persons and Corporations accordingly, subject nevertheless to the same Trusts, Powers, Provisions, Covenants, and Agreements as the Eighty Pounds Shares for which they are respectively substituted were or, but for such Division, would have been subject to, and so as to give Effect to and not to revoke any Will or Testamentary Instrument disposing of or affecting such Eighty Pounds Shares; and the Certificates of such Eighty Pounds Shares shall, until fresh ones be issued, be the Certificates of such Number of Divided Shares as may represent the Eighty Pounds Shares to which the Certificates relate.

Power to borrow 50,000*l.*

8. The Company may, by Authority of a General Meeting, borrow on Mortgage any Sums of Money not exceeding in the whole (inclusive of the Sums of Money already borrowed and authorized to be borrowed by the Act of 1852) the Sum of Fifty thousand Pounds, at the respective Periods and subject to the Conditions herein-after expressed; that is to say,

Additional Borrowing Powers.

1. They may at any Time after the passing of this Act continue on Mortgage or borrow on Mortgage any Sum or Sums of Money not exceeding Twenty-five thousand Pounds:

2. After

2. After Fifty thousand Pounds, Part of the additional Capital of Ninety-four thousand Pounds, shall have been subscribed for, and One Half thereof shall have been paid up, they may from Time to Time borrow on Mortgage any further Sum or Sums of Money not exceeding in the whole Twelve thousand five hundred Pounds:

3. When the Remainder of the additional Capital of Ninety-four thousand Pounds shall have been subscribed for, and One Half thereof shall have been paid up, they may in like Manner borrow any further Sums of Money not exceeding in the whole Twelve thousand five hundred Pounds:

Provided always, That no Part of such Two last-mentioned Sums of Twelve thousand five hundred Pounds shall be borrowed until the Company shall prove to the Justice who is to certify under the Fortieth Section of "The Companies Clauses Consolidation Act, 1845," before he so certifies, that Shares for all such additional Capital as is by this Act made necessary to be subscribed for before raising any such Sum or Sums on Mortgage as aforesaid are issued and accepted, and that One Half of such additional Capital has been paid up, and that not less than One Fifth Part of the Amount of each separate Share has been paid up on account thereof before or at the Time of the Issue or Acceptance thereof, and that all such Shares are taken in good Faith, and are held by the Subscribers or their Assigns, those Subscribers or their Assigns being legally liable for the same (of which Matters the Certificate of the Justice shall be sufficient Evidence).

Existing Mortgages to have Priority.

9. All Mortgages granted by the Company before the passing of this Act shall, during the Continuance thereof, have Priority over all Mortgages to be created by virtue of this Act.

Power to re-borrow.

10. If the Company pay off any Money owing by them, they may again borrow the Amount so paid off, and so from Time to Time as Occasion shall require.

Debenture Stock.

11. The Company may create and issue Debenture Stock.

Application of Sums raised under this Act.

12. All and every Part of the Monies which the Company are by this Act authorized to raise by new Shares or on Mortgage shall be applied only to the Purposes by the Act of 1852 and this Act authorized.

shall be incorporated with and form Part of this Act.

Two General Meetings to be held in each Year.

14. The Ordinary General Meetings of the Company shall be held in the Months of *March* and *September* in each Year, and the First Ordinary General Meeting after the passing of this Act shall be held in the Month of *September* One thousand eight hundred and sixty-five; and all Meetings of the Company, whether ordinary or extraordinary, shall be held at such Place as the Directors from Time to Time appoint; and Section Thirty-one of the Act of 1852, relating to the first and other Meetings of the Company, is hereby repealed.

Repeal of 15 Vict. c. 15. s. 33.

15. From and after the passing of this Act the Thirty-third Section of the Act of 1852 shall be and the same is hereby repealed.

Scale of voting.

16. At any General Meeting of the Company every Shareholder present in person or by proxy shall have One Vote for every Twenty Pounds of the Capital of the Company held by him, up to and including Two hundred Pounds of such Capital, and an additional Vote for every Forty Pounds of that Capital held by him beyond Two hundred Pounds.

Power to purchase additional Lands.

17. It shall be lawful for the Company to purchase by Agreement and to hold any additional Quantity of Land for the Purposes of their Undertaking, not exceeding in the whole at any One Time, inclusive of the Land authorized to be purchased and held by the Act of 1852, Sixteen Statute Acres; but the Company shall not erect any Works for the Manufacture of Gas upon any of the additional Lands by this Act authorized to be purchased, excepting upon such of the said

Lands as shall immediately adjoin the Lands now held by them, and on which the Company's Works are situate.

Power to utilise Products.

18. The Company may from Time to Time manufacture, sell, and dispose of, as they think fit, Coke, Tar, Pitch, Asphaltum, Ammoniacal Liquor, Oil, and all other Products, Refuse, or Residuum arising, remaining, produced by, or obtained from the Manufacture of Gas by them, or the Materials used therein, and may manufacture and sell such Articles as can be produced from or by means of the several Matters and Things aforesaid.

Power to take Licences for Use of Patent Rights.

19. The Company may contract for and acquire, and when acquired may take and use, any Leave, Licence, or Authority to work, use, exercise, or put in practice any Invention or Inventions comprised in any Letters Patent at any Time heretofore made, or hereafter to be made, granting any Right or Privilege of working, using, or exercising any Invention in relation to the Manufacture and Distribution of Gas by them, or the Utilisation of the residual Products arising from the Manufacture of Gas by them, or otherwise in relation thereto: Provided always, that the Company shall not be authorized to acquire any exclusive Leave, Licence, or Authority to work, use, exercise, or put in practice any such Invention or Inventions.

Power to contract for lighting public Places, &c.

20. The Company, or their Directors, may from Time to Time enter into or make any Contract or Agreement with any Bodies Corporate, Commissioners, Trustees, Surveyors, or other Person or Persons having the Control or Management of any Road, Highway, Street, Bridge, Cemetery, or Park, or of any public Building or Clock, belonging to a public Body (herein-after called "the Lighting Authority,") for lighting with Gas or supplying the same with Lamp Pillars and Posts, Lamp Brackets, Lamps, and Glass, and for the Repair and cleaning thereof respectively, and for lighting and extinguishing the Lamps; and also from Time to Time may make and enter into any Contract or Agreement with any Body Corporate or Person for lighting with Gas any Church Chapel, Shop, Inn, Tavern, Dwelling House, Manufactory, Warehouse, or other public or private Building in such Manner, under such Conditions, and for Payment of such Gas Rate or Rent as shall be agreed upon between the Company and such Bodies Corporate, Surveyors, Commissioners, or other Persons respectively: Provided always, that this Enactment shall not alter or prejudice the Provisions contained in the Forty-second Section of the Act of 1852.

Security for Payment of Rate.

21. Any Person, not being a Lighting Authority, requesting to have a Supply of Gas from the Company, shall, if and when so required

required by them, and before he is entitled to have the Pipes provided and laid, or to have a Supply of Gas provided or continued, give to them such Security for the Payment of the Rate for the Gas to be supplied to him as he and the Company agree on, or as in default of Agreement shall be determined as by this Act provided; but the Company shall not at any Time be entitled to discontinue the Supply of Gas to any such Person then having a Supply, unless otherwise expressly authorized by this Act, until such Person shall have failed to give the Security for Seven Days after the same shall have been agreed on or determined as aforesaid.

Justice may determine Nature of Security.

22. Where any such Person and the Company do not agree on the Security to be given, the same shall be determined by a Justice; and any single Justice shall, on the Application of the Person and the Company, or either of them, determine the Nature and Amount of the Security to be given.

Removal of Meters and Fittings.

23. The Company, after Twenty-four Hours Notice to the Occupier of any House or Building, or, if it be unoccupied, to the Owner or Lessee thereof, or, if the Owner or Lessee of any such unoccupied House or Building be unknown to them, after affixing a Notice for Three Days on some conspicuous Part of the House or Building, may enter such House or Building at any Time between the Hours of Nine in the Forenoon and Four in the Afternoon, for the Purpose of removing any Meters, Pipes, or Fittings belonging to the Company, and theretofore used in connexion with the Supply of Gas by them, but which Supply is from any Cause discontinued, and may remove such Meters, Pipes, or Fittings, or any of them, accordingly.

Consumers to burn by Meter.

24. Except with regard to Gas supplied for public Lighting, every Consumer of Gas shall, upon the Request of the Company, consume Gas by Meter.

Consumers to keep Meters in proper Order.

25. Every Consumer of Gas shall at all Times, at his own Expense, keep all Meters belonging to him, whereby any Gas of the Company is measured or registered, in proper Order for correctly measuring and registering such Gas, in default whereof the Company may cease to supply Gas through such Meter; and the Company shall at all reasonable Times have Access to, and be at liberty to take off, remove, test, inspect, and replace any Meter belonging to a Consumer, such taking off, Removal, testing, inspecting, and replacing to be done at the Expense of the Company if the Meter be found in proper Order, but otherwise at the Expense of the Consumer.

26. Every

Fraudulently injuring Meters, &c.

26. Every Person who shall wilfully, fraudulently, or by culpable Negligence injure or suffer to be injured any Meter or Fittings belonging to the Company, or shall fraudulently alter the Index to any Meter from duly registering the Quantity of Gas supplied, shall, without Prejudice to any other Right or Remedy for the Protection of the Company or the Punishment of the Offender, for every such Offence forfeit and pay to the Company a Sum not exceeding Five Pounds; and the Company may, in addition thereto, recover the Amount of any Damages by them sustained, and the Company may also discontinue the Supply of Gas to the Person so offending until the Injury is remedied and the Amount of the Damages are paid, and notwithstanding any Contract previously existing, and the Existence of artificial Means of causing such Alteration or Prevention, when such Meter shall be under the Custody or Control of the Consumer, shall be *primâ facie* Evidence that the same has been fraudulently, knowingly, and wilfully caused by the Consumer using such Meter.

Cutting off Gas.

27. If any Person supplied with Gas by the Company wilfully do, or cause or suffer to be done, anything in contravention of any of the Provisions of the Act of 1852 or of this Act, or wilfully fail to do anything which under the Act of 1852 or this Act ought to be done by such Person for the Prevention of the Waste, Misuse, or undue Consumption of the Company's Gas, the Company may cut off or stop any Pipe by or through which Gas is supplied to him, and cease to supply him with Gas so long as the Cause of Injury remains or is not remedied; and also may recover from every Person so offending the Amount of all Loss, Damage, or Injury which the Company may sustain by any such Misfeasance or Failure, in the Manner provided by "The Companies Clauses Consolidation Act, 1845," with respect to the Recovery of Damages not specially provided for, and Penalties; and the Remedies of the Company under this Enactment shall be in addition to their other Remedies in that Behalf.

Power to the Company to let Meters and Fittings.

28. The Company may let for Hire any Meter for ascertaining the Quantity of Gas consumed or supplied, and any Fittings thereto and the Remuneration of the Company therefor shall be recoverable in the same Manner as the Rents or Sums due to the Company for Gas; and such Meters and Fittings shall not be subject to Distress or to the Landlord's Hypothec for Rent of the Premises where the same may be used, nor be taken in execution under any Process of a Court of Law or Equity, or any Proceedings in Bankruptcy against the Persons in whose Possession the same may be.

Register of Gas Meter to be primâ

29. The Register of the Index of the Meter shall be *primâ facie* Evidence of the Quantity of Gas consumed by any Customer of the Company

Company, and in respect of which any Rent is charged and sought to be recovered by the Company. facie Evidence.

30. The maximum Charge for Gas supplied by the Company within the Borough of *Belfast* to Persons who shall burn the same by Meter shall be after the Rate of Four Shillings and Sixpence *per* Thousand Cubic Feet, and such maximum Charge shall be subject to the Scale of Discounts provided in the Forty-third Section of the Act of 1852. Maximum Charge for Gas.

31. The Price to be charged by and paid to the Company for the Gas to be supplied to the public Lamps within the Borough of *Belfast* shall not exceed the lowest Price charged for the Time being by the Company to any private Consumer. Price for Gas to public Lamps.

32. All the Gas supplied by the Company shall be of such Quality as to produce from an Argand Burner having Fifteen Holes and a Seven Inch Chimney, and consuming Five Cubic Feet of Gas *per* Hour, a Light equal in Intensity to the Light produced by Fourteen Sperm Candles of Six in the Pound, burning One hundred and twenty Grains *per* Hour. Quality and illuminating Power of Company's Gas.

33. Inasmuch as the Company have already erected an experimental Meter furnished with an Argand Fifteen Hole Burner, and a Seven Inch Chimney, capable of consuming Five Cubic Feet of Gas *per* Hour, with other necessary Apparatus for testing the illuminating Power and Purity of the Gas supplied by the Company: Therefore, the Company shall at all Times keep and maintain the experimental Meter and Apparatus in good Repair and working Order, or shall erect and provide a like experimental Meter and Apparatus in lieu thereof. Company to maintain a Meter to test illuminating Power of Gas.

34. It shall be lawful for the Mayor, Aldermen, and Burgesses of the Borough of *Belfast*, herein-after called the Corporation, acting by the Town Council of the Borough from Time to Time, by Order in Writing under the Hand of the Town Clerk, to appoint some competent Person to test the illuminating Power and Purity of the Gas, and the Person so appointed, on giving Nine Hours previous Notice in Writing to the Company, may, at any reasonable Hour in the Day Time, on producing the said Order, enter on the Premises of the Company, and in the Presence of the Manager or other Officer of the Company, make Experiment of the illuminating Power and Purity of the Gas, by means of such experimental Meter and other Apparatus; and the Company and their Officers shall afford all reasonable Facilities and Assistance to the making of such Experiment; and if it shall be proved to the Satisfaction of any Two Power to test the illuminating Power of the Gas.

Justices, not being Directors or Shareholders of the Company, nor Members of the Corporation, after hearing the Parties, that the illuminating Power of the Gas supplied by the Company did not, when so tested as aforesaid, equal the illuminating Power by this Act prescribed, or if it shall be proved that the said Gas contained a sufficient Quantity of Sulphuretted Hydrogen to discolour the usual Test Paper, or that the Company or their Officers refused to afford such reasonable Facilities as aforesaid, or hindered or prevented the making of such Experiment, in any such Case the Company shall forfeit such Sum not exceeding Ten Pounds, as the Justices shall determine.

Costs of Experiment to be paid according to event.

35. The Costs of and attending such Experiments, including the Remuneration to be paid to the Person making the same, and the Costs of the Proceedings before the Justices, shall be ascertained by the Justices, and, in the event of any Penalty being imposed on the Company shall be paid together with such Penalty by the Company, but in the event of no such Penalty being imposed on the Company, then those Costs shall be ascertained by the Justices and shall be paid by the Corporation; and in case the Company shall prove to the Satisfaction of such Justices that the Defect from the illuminating Power arose from a Cause absolutely beyond the Control of the Company, then the Justices may, if they think fit, order one Moiety of the Costs so to be ascertained as aforesaid to be paid by the Company and the other Moiety by the Corporation.

Repeal of certain Sections of existing Act.

36. The Sections of the Act of 1852, relating to the placing of the experimental Meter and the illuminating Power, and testing of the Gas of the Company, and which Sections are numbered Thirty-nine, Forty, and Forty-one in such Act, are by this Act repealed.

Certain Provisions of Sects. 45 and 48, 15 Vict. c. 15. to remain in force.

37. Nothing in this Act contained shall affect the Provisions of the Act of 1852 relating to the Sale and leasing of the Undertaking to the Mayor, Aldermen, and Burgesses of the Borough of *Belfast*, but the 45th and 48th Sections of such Act shall be construed to apply to and embrace the additional Capital by this Act authorized to be raised, and the additional Lands by this Act authorized to be purchased, as fully as if such additional Capital and additional Lands had been authorized to be created or purchased under the Powers and Provisions of the Act of 1852.

Providing for Publication, &c., of Annual Account.

38. In lieu of the Account prescribed by the Thirty-eighth Section of "The Gasworks Clauses Act, 1847," an Account, in the Form and containing the Particulars specified in the Schedule to

to this Act, shall be made up to the Thirtieth Day of *June* in each Year, and shall be published for Two successive Weeks in some Newspaper published and circulated in the Borough of *Belfast* in the Month of *October* following, and a Copy of the said Account shall in the same Month be transmitted free of Charge to the Town Clerk of the Borough of *Belfast*, and to the Clerk of the Peace for the County of *Antrim*, under a Penalty of Twenty Pounds for each Default, and the Copies so sent shall be kept by the said Town Clerk and Clerk of the Peace respectively, and shall be open to Inspection by all Persons at all reasonable Hours on Payment of One Shilling for each Inspection, but no other Fee of any kind shall be chargeable in respect of the said Account.

Liability to Gas Rate not to disqualify Justice.

39. No Justice or Judge of any Court shall be disqualified from acting in the Execution of this Act by reason of his being liable to the Payment of any Gas Rent, Rate, or other Charge under this Act, or the Act of 1852.

Recovery of Sums due to the Company.

40. All Rates or Sums of Money due to the Company for the Supply of Gas, or for the Price, Hire, or Cost of fixing any Meters or Fittings, and all Damages, Costs, and Expenses by this Act or by the Act of 1852, or any Act incorporated with such Acts directed to be paid, may be levied by Distress, and any Justice on Application may issue his Warrant accordingly, and the Remedies of the Company under this Enactment shall not prejudice but shall be in addition to their other Remedies for the Recovery of such Rate or Sum.

Costs of Proceedings may be added to Distress Warrant.

41. Any Justice who shall issue any Warrant of Distress for the Recovery of any Money payable under this Act or the Act of 1852, or any Act incorporated with any of such Acts, may order that the Costs of the Proceedings for the Recovery of such Money shall be paid by the Person liable to pay such Money, and such Costs shall be ascertained by the Justice and shall be included in the Warrant of Distress for the Recovery of such Money.

Expenses of Act.

42. The Costs, Charges, and Expenses of and incident to the passing of this Act shall be paid by the Company.

Short Title.

43. This Act may for any Purpose be cited as the "*Belfast* Gas Act, 1865."
