These were last increased in October 1982 (S.I. 1982/1244). The charges are increased in two stages. The increased charges to be made until 1st January 1984 are set down in the first column of each part of Schedule 2 to the 1971 Regulations, as substituted by these Regulations, and the charges to be made from that date in the second column of each part of the Schedule, as so substituted.
