(4) BOOT AND SHOE REPAIRING (G.B.)

The Boot and Shoe Repairing Wages Council (Great Britain) Wages Regulation Order, 1949

1949 No. 45

Made - - - - 14*th January*, 1949
Coming into Operation . 4*th February*, 1949

D (95)

Whereas the Minister of Labour and National Service (hereinafter referred to as "the Minister") has received from the Boot and Shoe Repairing Wages Council (Great Britain) (hereinafter referred to as "the Wages Council")

(*a*) the wages regulation proposals set out in the First Schedule hereto, being proposals for fixing the remuneration to be paid by their employers to workers in relation to whom the Council operates in substitution for the remuneration fixed for those workers by the Boot and Shoe Repairing Wages Council (Great Britain) Wages Regulation Order, 1947(**a**) (hereinafter referred to as "Order D (89)") as amended by the Boot and Shoe Repairing Wages Council (Great Britain) Wages Regulation (No. 2) Order, 1947(**b**) (hereinafter referred to as "Order D. (91)") and the Boot and Shoe Repairing Wages Council (Great Britain) Wages Regulation Order, 1948(**c**) (hereinafter referred to as "Order D. (93)"), and

(*b*) the wages regulation proposals set out in the Second Schedule hereto being proposals for amending the Boot and Shoe Repairing Wages Council (Great Britain) Wages Regulation (Holidays) Order, 1946(**d**) (hereinafter referred to as "Order D. (85)") which contains provisions requiring workers in relation to whom the Council operates to be allowed holidays by their employers and fixing holiday remuneration to be paid by their employers to those workers;

Now, therefore, the Minister by virtue of the powers conferred on him by section 10 of the Wages Councils Act, 1945(**e**), and of all other powers in that behalf hereby makes the following Order:—

Short title and interpretation.

1.—(1) This Order may be cited as the Boot and Shoe Repairing Wages Council (Great Britain) Wages Regulation Order, 1949.

(2) In this Order the expression "the specified date" means the 4th day of February, 1949, provided that where as respects any worker who is paid wages at intervals not exceeding seven days that date does not correspond with the beginning of the period for which the wages are paid, the expression "the specified date" means, as respects that worker, the beginning of the next such period following that date.

(**e**) 8 & 9 Geo. 6. c. 17.

(3) The Interpretation Act, 1889(a), applies to the interpretation of this Order as it applies to the interpretation of an Act of Parliament.

Fixing of statutory minimum remuneration and revocation of Orders D (89),D.(91) and D. (93).

2.—(1) Effect is hereby given to the said wages regulation proposals set out in the First Schedule hereto.

(2) The provisions of the First Schedule hereto shall have effect as from the specified date and as from that date Order D (89), Order D. (91) and Order D. (93)(b) shall cease to have effect.

Amendment of Order D. (85) as to holidays and holiday remuneration.

3.—(1) Effect is hereby given to the said wages regulation proposals set out in the Second Schedule hereto.

(2) The provisions of the Second Schedule hereto shall have effect as from the specified date.

Signed by order of the Minister of Labour and National Service this 14th day of January, 1949.

Godfrey H. Ince,
Secretary of the
Ministry of Labour and National Service.

SECOND SCHEDULE

Amendment of Order D. (85) (holidays and holiday remuneration) 4213

FIRST SCHEDULE

The following minimum remuneration shall be substituted for the statutory minimum remuneration fixed by Order D. (89) as amended by Order D. (91) and Order D. (93).

STATUTORY MINIMUM REMUNERATION

PART I

APPLICATION

Paragraph 1

(1) Subject to the provisions of this Schedule, the minimum remuneration payable to a worker to whom this Schedule applies for all work except work to which a minimum overtime rate applies under Part VI is:—

(*a*) in the case of a time worker, the hourly general minimum time rate applicable to the worker under the provisions of this Schedule;

(*b*) in the case of a worker employed on piece work,

(i) where a general minimum piece rate applies under Part VIII, that piece rate;

(ii) where no general minimum piece rate applies, piece rates each of which would yield, in the circumstances of the case, to an ordinary worker at least the same amount of money as the hourly general minimum time rate which would be applicable if the worker were a time worker.

Provided that where a guaranteed time rate is applicable to the worker under paragraph 3 or 5 of this Schedule and the worker's minimum remuneration calculated on a time work basis at the hourly guaranteed time rate exceeds the minimum remuneration calculated under the provisions of (*b*) of this sub-paragraph, the worker shall be paid at not less than the hourly guaranteed time rate.

(2) In this Schedule, the expressions "hourly general minimum time rate" and "hourly guaranteed time rate" mean respectively the general minimum time rate and the guaranteed time rate applicable to the worker under Part II, Part III or Part IV of this Schedule divided *by 45 in the case of a worker aged 16 years or over and by 44 in the case of a worker aged under 16 years.*

Paragraph 2

(1) Subject to the provisions of sub-paragraph (2) of this paragraph, this Schedule applies to workers in relation to whom the Boot and Shoe Repairing Wages Council (Great Britain) operates, that is to say, workers employed

in Great Britain in the circumstances specified in *the Schedule to the Boot and Shoe Repairing Wages Council (Great Britain) (Variation) Order*, 1948(a), *namely :—*

(i) all workers employed in Great Britain in a boot and shoe repairing undertaking as defined in sub-paragraph (3) *of this paragraph on any of the following work :—*

(a) the repairing, altering or dyeing of boots, shoes, slippers and all other similar kinds of footwear ;

(b) the making of bespoke footwear ;

(c) work incidental or ancillary to any of the above-mentioned operations ;

(d) shop duties in connection with the above operations, including attending to customers and sale by retail of boot or shoe laces and materials and articles used in connection with the cleaning or repair of boots or shoes ;

(e) collection or despatch in connection with the operations in (a) and (b) above, and work ancillary thereto ;

(f) canvassing for boot or shoe repairs and the collection of accounts in connection with the undertaking ;

(g) clerical or other office work in connection with the undertaking, including costing and the work of a cashier ;

(ii) all outworkers employed by way of trade in Great Britain on any of the operations specified in (a), (b) or (c) of (i) above.

(2) *Notwithstanding the provisions of sub-paragraph* (1) *of this paragraph, this Schedule does not apply:—*

(i) to workers employed in any shop or in any department in a shop, being a shop or department which is wholly or mainly engaged in the sale by retail of footwear (including operations in connection with such sale), in respect of their employment

(a) on retail sales at such shop and operations incidental thereto ; or

(b) on transport or clerical work relating to such sales ; or

(ii) to workers employed in or in connection with a factory which is wholly or mainly engaged on the manufacture of leather footwear on a large scale, in respect of their employment :—

(a) on the making of bespoke footwear and work incidental or ancillary thereto ; or

(b) on transport or clerical work relating to bespoke footwear.

(3) *For the purpose of this Schedule a " boot and shoe repairing undertaking " means any undertaking or any part of an undertaking which is wholly or mainly engaged by way of trade on any of the following operations, including operations incidental or ancillary thereto, that is to say—*

(i) the repairing of leather footwear ;

(ii) the making of bespoke footwear.

Provided that as regards trainees who, under the Government Vocational Training Scheme for resettlement training, have been placed by the Ministry of Labour and National Service with, and are being trained by, an employer for a period of approved training (but not including persons being trained in pursuance of Section 2 of the Disabled Persons (Employment) Act, 1944(b)) this Schedule shall not (subject to the condition that the requirements of the Training Scheme are complied with) apply during the period in respect of which the trainees are in receipt of allowances as provided under the Scheme.

PART V

CONDITIONS AS TO LEARNERS AND APPRENTICES

LEARNERS

Paragraph 10

(1) The general minimum time rates specified in paragraph 7 apply only to a male or female learner in whose case the conditions following are fulfilled—

(*a*) if he is a learner to bespoke hand-sewn making, he shall be employed for not less than two-thirds of his time in learning the bespoke hand-sewn making branch of the trade and shall, during the whole or a substantial part of such time, receive adequate instruction in either (i) bespoke hand-sewn making, (ii) clicking, or (iii) clicking and closing of uppers for bespoke work ;

(*b*) if he is a learner employed in a factory in which machinery driven by mechanical power is used for benching or finishing operations, he shall be employed, during the whole or a substantial part of his time, as a learner in the trade and shall receive, during such time, adequate instruction in a progressive manner in either—

(i) benching by hand and all operations of benching by machine which are carried out in the factory, or

(ii) benching by hand or machine and finishing by hand or machine, not less than one-third of the learner's time being spent in benching.

Provided that where the learner has been so employed for not less than three years he may be employed thereafter, in conjunction with a journeyworker finisher, as a learner to finishing by machine, and in such case the learner shall be employed for at least one-third of his time in learning the operations of edge trimming, edge setting and heel scouring ;

(*c*) any other learner shall be employed, during the whole or a substantial part of his time, as a learner in the trade and shall receive during such time adequate instruction in a progressive manner in either—

(i) benching by hand, throughout the whole period of his employment, or

(ii) benching by hand and finishing by hand or machine, not less than one-third of the learner's time being spent in benching ;

(*d*) in the establishment in which the learner is employed the proportion of learners to journeyworkers shall not exceed that of one learner to two journeyworkers.

Provided that one learner of each of the classes specified at (*a*), (*b*) or (*c*) of this sub-paragraph may be employed in an establishment in which only one journeyworker is employed on the operation or group of operations in which the learner is receiving instruction ;

(*e*) the learner shall be the holder of a certificate of registration as a learner issued by or on behalf of the Wages Council or of the Trade Board which preceded it or shall have made application for such certificate which has been duly acknowledged and is still under consideration.

Provided that

(i) the certification of a learner may be cancelled by the Wages Council if the other conditions of learnership are not complied with ;

(ii) an employer may employ a learner on his first employment in the trade without a certificate for a probationary period of not more than 4 weeks if in his case all the conditions of learnership, except that with regard to the holding of a certificate, are complied with and, where the worker is continued in his employment as a learner, the probationary period shall be included in the period of learnership ;

(iii) the provision with regard to a certificate shall not apply before the date declared by His Majesty in Council under Section 4 of the Trade Boards and Road Haulage Wages (Emergency Provisions) Act, 1940(a) to be the date on which the emergency that was the occasion of the passing of that Act came to an end.

(2) For the purposes of sub-paragraph (1) of this paragraph,

(*a*) the "bespoke hand-sewn making branch of the trade" shall mean that branch in which workers are employed for not less than two-thirds of their time on bespoke hand-sewn making, clicking or closing of uppers or on one or more of such operations for bespoke work;

(*b*) the expression "journeyworker" shall, save as is hereinafter provided in this sub-paragraph, have the same meaning as in paragraph 3 (3) of this Schedule;

(*c*) a worker aged under 21 years to whom a general minimum time rate specified in paragraph 6 applies shall not be reckoned as a learner, apprentice, or journeyworker;

(*d*) where an employer himself performs the work of a journeyworker he shall be reckoned as a journeyworker.

(3) For the purposes of determining the proportion of learners to journeyworkers in accordance with condition (*d*) of sub-paragraph (1) of this paragraph,

(*a*) a casual absence of a journeyworker or a casual vacancy for a short period in the number of journeyworkers employed shall not be treated as a failure to comply with the said condition;

(*b*) an apprentice shall be reckoned as a learner notwithstanding that the general minimum rates set out in paragraph 7 of this Schedule do not apply to him.

APPRENTICES INDENTURED PRIOR TO 28TH DECEMBER, 1942

Paragraph 11

(1) The general minimum time rate specified in paragraph 8 of this Schedule applies only to a male or female apprentice employed under an indenture of apprenticeship entered into prior to the 28th day of December, 1942, in whose case the conditions following are fulfilled:—

(*a*) the period of apprenticeship shall be as follows:—

Age at beginning of apprenticeship	Period of apprenticeship
Under 16 years	5 or 6 years or until the worker's 21st birthday.

(*b*) the apprentice shall be employed under an indenture which has been duly executed and (except in the case of an apprenticeship arranged at the sole charge of a public charity) duly stamped and which provides for the effective instruction of the apprentice throughout the period of apprenticeship in the section of the trade to which he is apprenticed;

(*c*) during the period of the apprenticeship the employer shall keep the apprentice under his own supervision or place him under one or more fully qualified journeyworkers;

(*d*) the apprentice shall not be put on piece work;

(*e*) during the period of the apprenticeship the apprentice shall not be employed on any work to which any minimum overtime rate applies under Part VI of this Schedule;

(a) 3 & 4 Geo. 6, c. 7.

(*f*) for the purpose of ascertaining whether the apprentice is being provided with effective instruction the employer shall, at the request of the Wages Council, submit the work of the apprentice for such examination as may be required by the Wages Council;

(*g*) in the establishment in which the apprentice is employed the proportion of apprentices to journeyworkers in either branch of the trade shall not at any time exceed that of one apprentice to two journeyworkers.

Provided that

(i) one apprentice may be employed in each branch of the trade if only one journeyworker is employed in the same branch;

(ii) where an employer who works personally at the trade and does not employ a journeyworker has one apprentice who has completed at least four years apprenticeship, he may employ a second apprentice during the last year of the apprenticeship of the first apprentice, and for the purpose of calculating the proportion of apprentices to journeyworkers the first apprentice shall not be taken into account;

(*h*) the apprentice shall be the holder of a certificate of registration as an apprentice issued by, or on behalf of, the Trade Board which preceded the Wages Council.

Provided that the certification of an apprentice may be cancelled by the Wages Council if the other conditions of apprenticeship are not complied with.

(2) For the purpose of determining the proportion of apprentices to journeyworkers in accordance with condition (*g*) of the last preceding sub-paragraph,

(*a*) one of the said branches of the trade shall be that branch in which workers are employed for not less than two-thirds of their time on one or more of the operations of (i) bespoke hand-sewn making, (ii) hand-sewn repairing, (iii) clicking (cutting), and (iv) the closing of uppers for bespoke work, and the other branch shall be any other section of the trade;

(*b*) a casual absence of a journeyworker or a casual vacancy for a short period in the number of journeyworkers employed shall not be treated as a failure to comply with the said condition;

(*c*) where an employer himself performs the work of a journeyworker he shall be reckoned as a journeyworker;

(*d*) a learner shall be reckoned as an apprentice notwithstanding that the general minimum time rates set out in paragraph 8 or 9 of this Schedule do not apply to him;

(*e*) a worker aged under 21 years to whom a general minimum time rate specified in paragraph 6 applies shall not be reckoned as a learner, apprentice, or journeyworker;

(*f*) save as aforesaid, the expression "journeyworker" shall have the same meaning as in paragraph 3 (3) of this Schedule.

APPRENTICES EMPLOYED UNDER CONTRACTS OF APPRENTICESHIP ENTERED INTO ON OR AFTER 28TH DECEMBER, 1942

Paragraph 12

(1) The general minimum time rates specified in paragraph 9 of this Schedule apply only to a male or female apprentice employed under a contract of apprenticeship in writing entered into on or after the 28th day of December, 1942 in whose case the conditions following are fulfilled:—

(*a*) The apprentice shall be employed under a written contract of apprenticeship which has been duly executed and (except in the case of an apprenticeship arranged at the sole charge of a public charity) duly stamped and which contains the following provisions (which the Wages Council considers necessary for the effective instruction of the apprentice) or provisions substantially to the like effect and no provisions contrary thereto;

(i) A description of the section or sections of work in the trade to which the worker is apprenticed;

(ii) The date of the commencement of the apprenticeship and a provision for its continuance until the date on which the apprentice shall have completed five years apprenticeship or reached his 21st birthday whichever is the earlier;

(iii) A term that during the period of apprenticeship the employer will pay to the apprentice not less than the appropriate statutory minimum remuneration from time to time;

(iv) A covenant or agreement by the employer that, throughout the period of apprenticeship, he will keep the apprentice under his supervision and instruct the apprentice himself, or place him in the hands of one or more competent journeyworkers for instruction, so that in either case the apprentice shall receive throughout the period of apprenticeship and in a progressive manner effective instruction in the section or sections of work in the trade to which he is apprenticed;

(v) A covenant or agreement by the apprentice whereby, throughout the period of apprenticeship, he binds himself to the employer to learn the section or sections of work in the trade to which he is apprenticed;

(vi) A term, in the case of an apprentice who is apprenticed to the boot and shoe repairing section of work in the trade, that the employment of the apprentice on benching shall alternate regularly with his employment on finishing, so that not more than one-third of his time is spent on finishing operations;

(vii) A provision that, during the apprenticeship, the apprentice shall not be put on piece work and shall not be employed on any work to which any minimum overtime rate applies under Part VI of this Schedule.

(*b*) In the establishment in which the apprentice is employed the proportion of apprentices to journeyworkers in either branch of the trade shall not at any time exceed that of one apprentice to two journeyworkers:

Provided that

(i) one apprentice may be employed in each branch of the trade if only one journeyworker is employed in the same branch;

(ii) where an employer who works personally at the trade and does not employ a journeyworker has one apprentice who has completed at least four years' apprenticeship, he may employ a second apprentice during the last year of the apprenticeship of the first apprentice, and for the purpose of calculating the proportion of apprentices to journeyworkers the first apprentice shall not be taken into account.

(*c*) The apprentice shall be the holder of a certificate of registration as an apprentice issued by, or on behalf of, the Wages Council or of the Trade Board which preceded it, or shall have made application for such a certificate which has been duly acknowledged and is still under consideration.

Provided that the certification of an apprentice may be cancelled by the Wages Council if the other conditions of apprenticeship are not complied with.

(2) For the purpose of determining the proportion of apprentices to journeyworkers in accordance with condition (*b*) of the last preceding sub-paragraph,

(*a*) one of the said branches of the trade shall be that branch in which workers are employed for not less than two-thirds of their time on

one or more of the operations of (i) bespoke hand-sewn making, (ii) hand-sewn repairing, (iii) clicking (cutting), and (iv) the closing of uppers for bespoke work, and the other branch shall be any other section of the trade;

(*b*) a casual absence of a journeyworker or a casual vacancy for a short period in the number of journeyworkers employed shall not be treated as a failure to comply with the said condition;

(*c*) where an employer himself performs the work of a journeyworker he shall be reckoned as a journeyworker;

(*d*) a learner shall be reckoned as an apprentice notwithstanding that the general minimum time rates set out in paragraph 8 or 9 of this Schedule do not apply to him;

(*e*) a worker aged under 21 years to whom a general minimum time rate specified in paragraph 6 applies shall not be reckoned as a learner, apprentice, or journeyworker;

(*f*) save as aforesaid, the expression "journeyworker" shall have the same meaning as in paragraph 3 (3) of this Schedule.

(3) Notwithstanding the foregoing provisions of this Schedule, where an employer employs a worker as a prospective apprentice for a probationary period not exceeding three months and the conditions of apprenticeship set out in sub-paragraph (1) of this paragraph, other than employment under a written contract of apprenticeship and certification by the Wages Council, are fulfilled, the minimum remuneration payable to that worker during the said period shall be that applicable to an apprentice employed in accordance with the conditions specified in sub-paragraph (1) of this paragraph, and, in the event of the worker being continued thereafter at his employment as an apprentice, the said probationary period shall, for the purposes of this Schedule, be treated as part of the period of apprenticeship, whether or not it is included therein.

Provided that where the employer does not, on or before the last day of the said probationary period enter into with the worker such a contract of apprenticeship as is mentioned in sub-paragraph (1) of this paragraph, the employer shall pay to the worker a sum equal to the difference between the minimum remuneration payable to him as a prospective apprentice and the amount that would have been payable to him had the provisions of this sub-paragraph not applied.

PART VI

OVERTIME AND WAITING TIME

MINIMUM OVERTIME RATES

Paragraph 13

Minimum overtime rates are payable to a worker to whom this Schedule applies as follows:—

(*a*) on any day other than a weekly short day, a Sunday or customary holiday

(i) for the first 2 hours worked in excess of 9 hours	Time-and-a-quarter
(ii) thereafter	Time-and-a-half

Provided that where the employer normally requires attendance on five days only in the week, the foregoing minimum overtime rates of time-and-a-quarter and time-and-a-half shall be payable after 10 and 12 hours' work respectively.

(*b*) on a weekly short day, not being a customary holiday

(i) for the first 2 hours worked in excess of 5 hours	Time-and-a-quarter
(ii) thereafter	Time-and-a-half

(*c*) on a Sunday or customary holiday, for all time worked .. .. Double time

(*d*) in any week, for all time worked in excess of 45 hours, exclusive of any time for which a minimum overtime rate is payable under the foregoing provisions of this paragraph,

(i) for the first 3 hours so worked .. .. Time-and-a-quarter

(ii) thereafter .. .. Time-and-a-half

Paragraph 14

In this Part of this Schedule

(1) the expressions " time-and-a-quarter ", " time-and-a-half " and " double time " mean respectively—

(*a*) in the case of a time worker, one and a quarter times, one and a half times and twice the hourly general minimum time rate otherwise applicable to the worker,

(*b*) in the case where a general minimum piece rate is otherwise applicable to a worker employed on piece work

(i) a time rate equal respectively to one quarter, one half and the whole of the general minimum time rate which would be applicable to the worker if he were a time worker and a minimum overtime rate did not apply, and in addition thereto,

(ii) the minimum remuneration otherwise applicable to the worker under paragraph 1 (1) (*b*) of this Schedule,

(*c*) in the case where a general minimum piece rate is not otherwise applicable to a worker employed on piece work

(i) a time rate equal to one quarter, one half and the whole of the piece work basis time rate otherwise applicable to the worker, and, in addition thereto,

(ii) the minimum remuneration otherwise applicable to the worker under paragraph 1 (1) (*b*) of this Schedule.

(2) the expression " customary holiday " means

(*a*) in England and Wales

(i) Christmas Day, Boxing Day, Good Friday, Easter Monday, Whit Monday, the first Monday in August and any day proclaimed as a public holiday, or additional bank holiday, or

(ii) in the case of each of the first six named holidays, such other day (not being a weekly short day) as may be substituted therefor by the employer by a notice posted in the factory throughout the three weeks immediately preceding the holiday for which it is substituted.

(*b*) in Scotland

(i) New Year's Day, Good Friday, the local Spring holiday, the day observed as Victoria Day or the King's birthday, the local Autumn holiday, Christmas Day and any day proclaimed as a public holiday, or additional bank holiday, or

(ii) in the case of each of the first six named holidays, such other day (not being a weekly short day) as may be substituted therefor by the employer by a notice posted in the factory throughout the three weeks immediately preceding the holiday for which it is substituted.

Provided that notification of days of holiday made by the employer for the purpose of Section 78 of the Factories Act, 1937(a) shall be treated for the purposes of this sub-paragraph as effective notice of substitution.

(3) the expression "weekly short day" means Saturday or (except where in the case of a woman or young person such substitution is unlawful) any week day other than a customary holiday substituted therefor by agreement in writing between the employer and the worker.

WAITING TIME

Paragraph 15

(1) A worker is entitled to payment of the minimum remuneration specified in this Schedule for all time during which he is present on the premises of his employer, unless he is present thereon in any of the following circumstances:

(*a*) without the employer's consent, express or implied,

(*b*) for some purpose unconnected with his work and other than that of waiting for work to be given to him to perform,

(*c*) by reason only of the fact that he is resident thereon,

(*d*) during normal meal times in a room or place in which no work is being done and he is not waiting for work to be given to him to perform.

(2) The minimum remuneration payable under sub-paragraph (1) of this paragraph to a piece worker when not engaged on piece work is that which would be applicable if he were a time worker.

PART VII

GUARANTEED REMUNERATION

GUARANTEED WEEKLY REMUNERATION

Paragraph 16

(1) This paragraph applies to a worker (other than a casual worker) who ordinarily works for the employer for at least 36 hours weekly on work to which this Schedule applies.

(2) Notwithstanding anything in this Schedule contained, where in any week:—

(*a*) no remuneration is payable to the worker under the foregoing provisions of this Schedule or by way of holiday remuneration under any wages regulation order made by the Minister to give effect to the proposals of the Wages Council, or

(*b*) the total amount of any such remuneration is less than the guaranteed weekly remuneration provided for by this paragraph,

the minimum remuneration payable to that worker for that week in lieu of any amount aforesaid shall, subject to the provisions of this paragraph, be the guaranteed weekly remuneration.

(3) Subject to the provisions of the next following sub-paragraph the amount of the guaranteed weekly remuneration is as follows:—

(*a*) in the case of a worker who ordinarily works for the employer on work to which this Schedule applies for at least 45 hours weekly, 32 hours pay calculated at the general minimum time rate ordinarily applicable to the worker, or

(*b*) in the case of a worker who ordinarily works for the employer for less than 45 but not less than 36 hours weekly on such work, 32/45ths of the amount payable at the said rate for the hours ordinarily worked by the worker in a week for the employer on such work.

(a) 1 Edw. 8. & 1 Geo. 6, c. 67.

(4) Payment of the guaranteed weekly remuneration in any week is subject to the condition that the worker throughout the period of his ordinary employment in that week, excluding any day allowed to him as a holiday, is (*a*) capable of and available for work and (*b*) willing to perform such duties outside his normal occupation as the employer may reasonably require if his normal work is not available to him in the establishment in which he is employed.

Provided that guaranteed weekly remuneration shall not cease to be payable to a worker in respect of any week by reason only of the fact that he is absent during any part of that week on any customary holiday or by reason of proved illness or with the consent of the employer but, in the case of any such absence (other than absence on a holiday with pay allowed under the provisions of a wages regulation order) the amount of the guaranteed weekly remuneration shall be reduced by the amount to which he would have been entitled under this Schedule as a time worker had he worked the number of hours ordinarily worked by him during the period of such absence in that week.

(5) If the employer is unable to provide the worker with work by reason of a strike, failure of supplies or any cause (other than shortage of work) outside the control of the employer, guaranteed weekly remuneration shall not be payable in respect of any week during which, or part of which, the employer is unable to provide work as aforesaid.

(6) The amount of the guaranteed weekly remuneration applicable to a piece worker shall be the sum to which he would be entitled if he were a time worker.

(7) In this paragraph the expression "week" means "pay week" and the expression "customary holiday" has the same meaning as in paragraph 14.

GUARANTEED DAILY REMUNERATION FOR CASUAL WORKERS

Paragraph 17

(1) Notwithstanding anything in this Schedule contained, where the time worked by a casual worker on work to which this Schedule applies is less than 5 hours on a weekly short day (not being a customary holiday) or 8 hours on any other day, he shall be treated for the purposes of this Schedule (except Part VI) as if he had worked on such work 5 and 8 hours respectively.

(2) A casual worker who, in accordance with his employer's instructions, reports on any day for work to which this Schedule applies, but does not perform any such work, shall be treated as if the provisions of sub-paragraph (1) of this paragraph applied in respect of that day.

(3) For the purposes of this paragraph:—

(*a*) A casual worker is a worker who undertakes short engagements on an hourly or a day to day basis.

(*b*) The expression "weekly short day" has the same meaning as in paragraph 14.

(*c*) A piece worker shall be treated as though he were a time worker.

PART VIII

GENERAL MINIMUM PIECE RATES FOR MALE OR FEMALE WORKERS

Paragraph 18

(1) The general minimum piece rates applicable to male or female workers employed on repairing are the piece rates set out in Part IX of this Schedule increased by 30 per cent.

(2) The general minimum piece rates applicable to male or female workers employed on bespoke making are the piece rates set out in Part X of this Schedule increased by 30 per cent.

PART IX

PIECE RATES FOR MALE OR FEMALE WORKERS EMPLOYED ON REPAIRING

A.—SOLES.—COMPLETED WORK

Paragraph 19

(1) Subject to the provisions of paragraphs 20 and 21 of this Schedule and the provisions as to extras and reductions specified in paragraphs 22 to 31, the piece rates for male or female workers employed on repairing soles (completed work) are set out in the following Table.

(2) " Benching throughout " means the performance by a single worker of all the separate operations of benching, the appropriate rates for which, in paragraph 45 of this Schedule, amount to the appropriate rate for benching throughout, and includes in the case of riveted work the operations of riveting round soles by machine when the riveting machine is operated by the benchman but does not include the sewing or stitching of the new soles where the work is sewn or stitched.

(3) The piece rates for " benching throughout " shall be increased by 1d. per pair where nails have to be removed from full nailed or bradded work.

(4) The piece rates for " hand stitching (with square awl) " shall be increased by one-third when old stitches are taken out from welts before restitching.

Paragraph 20

LEATHER SOLES CEMENTED ON BY HAND

Where the benchman cements soles (other than leather substitute or rubber soles) by hand, the piece rates payable shall be the corresponding rates for the benching throughout of riveted work or for benching set out in the foregoing Table increased by 4d. per pair.

Paragraph 21

The piece rates for benching set out in paragraphs 19 and 20 do not include payment for:—

(*a*) Pegging the waists,

(*b*) Repairing insoles of welted work,

(*c*) In the case of sole under heel, the sewing or repairing of handsewn or welted seats.

Where the benchman performs any of these operations, he shall be paid in respect of such work the piece rates specified in paragraph 1 (1) (*b*) (ii).

Paragraph 22

SOLEING MATERIAL NOT CUT TO SHAPE

The piece rates for benching throughout set out in paragraphs 19 and 20 in respect of soles apply where the soleing material is cut into separate soles shaped rights and lefts. If the soleing material is not given out in this form, 1d. per pair extra is payable.

Paragraph 23

OUTSIZES

For men's work over size 11 the piece rates provided in paragraphs 19 and 20 for soleing men's work size 6-11 and for ladies' work over size 8 the piece rates provided in paragraphs 19 and 20 for soleing ladies' work size 2-8 shall be respectively payable, with the following additions:—

	Per pair.
(*a*) Hand sewn or hand stitched work where the benching and the sewing (or stitching) are done by the same worker	1½d.
(*b*) Benching of riveted work, machine sewn work of machine stitched work	½d.
(*c*) Hand sewing or hand stitching only	1d.
(*d*) Hand finishing	½d.

Paragraph 24

LONG WORK

(*a*) Repairing men's or youths' Napoleon, jockey or riding boots, long Wellingtons, short Wellingtons, field boots or sea boots which reach to the knee or above—

(ii) Soleing and heeling (or half heeling) when done together, men's (all sizes) and youths' (sizes 2-5): 2½d. per pair extra to the rate for benching;

(*b*) Repairing ladies' long work—

(i) Sole only, or

(ii) Soleing and heeling (or half heeling) when done together: ½d. per pair extra to the rates for benching.

Paragraph 25

RIVETING SOLES ON WELTED BOOTS OR SHOES

Riveting soles by hand on welted boots or shoes 1d. per pair extra to the rates for benching riveted work. This extra does not apply when the new sole is riveted on the top of the old sole or middle sole.

Paragraph 26

SEWING THROUGH (SOLES OR CLUMPS)

Soles or clumps, sewn through by hand on Blake principle, 5d. per pair extra to the rates for hand sewing.

Paragraph 27

SOLEING WITH LEATHER SUBSTITUTES

Soleing with leather substitutes, but excluding the rubber work for which rates are provided in paragraph 68:—

(*a*) Where the worker has to prepare or roughen or prepare and roughen both the new sole and the bottom and to apply an adhesive for the purpose of fixing the new sole before sewing or riveting .. .. 4d. per pair extra.

(*b*) Where the worker has no preparatory work to perform to the new sole but prepares or roughens or prepares and roughens the bottom and applies an adhesive for the purpose of fixing the new sole before sewing or riveting 2d. per pair extra.

Paragraph 28

SOLEING WITH WATERPROOF LEATHERS OTHER THAN CHROME

Benching throughout .. .. ¾d. per pair extra.
Hand finishing .. .. 1¼d. per pair extra.

Paragraph 29

WOOD PEGGING BY HAND

Soleing, 5¼d. per pair extra to the rates for benching riveted work.

Paragraph 30

Paragraph 33.

As respects the work specified in paragraph 32:—

(i) If benching (other than hand sewing) is not completed by one worker, the piece rates specified in paragraph 1 (1) (*b*) (ii) apply.

(ii) The piece rates for benching are payable to the benchman whether his work includes or does not include the filing of heels, toe plates and metal tips.

(iii) The piece rates for benching heels do not apply to the removing of old heels and the fixing (including knifing up) of new readymade heels of pulp or leather. If the benchman performs these operations he shall be paid the piece rates specified in paragraph 1 (1) (*b*) (ii).

Paragraph 34

TOP PIECES CUT TO SHAPE AND SIZE

The piece rates for benching heels set out in paragraph 32 shall be reduced by ¼d. per pair where no knifing-up is required before the top pieces are nailed or riveted round.

Paragraph 35

ATTACHING TOP PIECES IN TWO SEPARATE PIECES

(*a*) Where the only extra work involved is the additional riveting of the two separate pieces .. ¼d. per pair extra.

(*b*) Where, in addition to the riveting specified in (*a*) above, the worker has to cut or adjust the two separate pieces .. .. 1d. per pair extra.

Paragraph 36

OUTSIZES, HEEL OR HALF HEEL

For men's work over size 11, the piece rate provided in paragraph 32 for men's work size 6—11, and for ladies' work over size 8, the piece rate provided in paragraph 32 for ladies' work size 2—8 shall be payable respectively with the following additions:—

For benching (whether complete or in preparation for the riveting or slugging machine) .. .. .. ¼d. per pair.

For hand finishing .. .. ¼d. per pair.

Paragraph 37

NEW LIFTS AND PART LIFTS

(1) (*a*) New lifts—for each quarter of an inch or part thereof, 1d. per pair extra;

(*b*) Part lifts—where parts of heels have to be cut out to the depth of ½ inch or more for the purpose of levelling the heels, although complete new lifts may not be inserted, 1d. per pair extra.

(2) Where heels are stripped down to the seat piece, the piece rates for rebuilding heels and heeling (benching) set out in paragraph 65 shall apply.

Paragraph 38

QUARTER OR HALF TIPS

(1) (*a*) Inserted iron quarter or half-tips . .. .. 1d. per pair extra.

(*b*) Inserted rubber tips:

(i) When solutioned .. .. 2d. per pair extra.

(ii) When not solutioned .. .. .. 1d. per pair extra.

(*c*) Where the top piece has a quarter rubber tip already attached when the top piece is given out:

(i) For solutioning on the quarter rubber tip in the process of fixing the top piece to the heel .. .. 1d. per pair extra.

(ii) For attaching any additional leather to the top piece to make up the difference between the thickness of the quarter rubber tip and the top piece .. .. ¼d. per pair extra.

(2) No extra is payable for affixing the top piece which has a quarter rubber tip already attached.

Paragraph 39

ELONGATED HEELS

Paragraph 46

(1) The piece rates for stripping, levelling and tacking on set out at (*a*), (*b*) and (*c*) of the last foregoing Table shall be increased by 1d. per pair where nails have to be removed from full nailed or bradded work.

(2) Where new lifts are required, the piece rate for replacing old heels by hand set out at (*c*) of the said Table shall be increased as if paragraph 37 applied.

(3) The piece rates for riveting round soles by hand, hammering down rivets, laying channels by hand and hammering down bottoms set out at (*a*), (*b*) and (*c*) of the said Table, shall be increased as follows:—

(*a*) where the operation of riveting round soles is performed by hand, by the appropriate rate for hammering down rivets,

(*b*) where the channels have not been laid by machine and hammering down bottoms is performed, by the appropriate rate for laying channels by hand.

Paragraph 47

The piece rates for benching set out in paragraphs 45 and 46 do not include payment for:—

(a) Pegging the waists,

(b) Repairing insoles of welted work,

(c) In the case of sole under heel, the sewing or repairing of handsewn or welted seats.

Where the benchman performs any of these operations, he shall be paid in respect of such work the piece rates specified in paragraph 1 (1) (*b*) (ii).

Paragraph 48.

SOLEING MATERIAL NOT CUT TO SHAPE

The piece rates for stripping, levelling and tacking-on set out in paragraph 45 apply where soleing material is cut into separate soles shaped rights and lefts. If the soleing material is not given out in this form, an addition of 1d. per pair is payable.

Paragraph 49

OUTSIZES

For men's work over size 11, the piece rate provided in paragraph 45 for soleing men's work size 6-11 and for ladies' work over size 8 the piece rate provided in paragraph 45 for soleing ladies' work size 2-8 shall be payable, respectively with the following addition:—

Riveted work, machine sewn work or machine stitched work:

H.—SURGICAL REPAIRING AND EXTRAS

Paragraph 75

The piece rates for repairing set out in this Part of this Schedule apply to surgical repairing. The additional extras provided in paragraphs 77 and 78 for bespoke handsewn surgical making apply also to bespoke handsewn surgical repairing.

PART X

PIECE RATES FOR MALE OR FEMALE WORKERS EMPLOYED ON BESPOKE MAKING BESPOKE HANDSEWN WORK (INCLUDING BESPOKE HANDSEWN SURGICAL WORK)

Paragraph 76

(1) Subject to the provisions of this Part of this Schedule, the piece rates applicable to male or female workers employed on the bespoke making of bespoke handsewn work (including bespoke handsewn surgical work) are set out in the following Table.

(2) Where surgical work is not finished by the maker, the rates for ground work shall be reduced by an amount equal to the appropriate rate for " finishing by hand alone " specified in Column 8 of the said Table.

(3) In this Part of this Schedule, the expression " groundwork " includes the making of all boots and shoes of black leathers (other than patent) whether made with or without toecaps, puffs, or box, block or stiffened toes.

PART XI

GENERAL

Paragraph 81

(1) For each try-on, or re-try-on out-workers shall be paid 1s. 4d. extra for one boot or shoe or pair of boots or shoes, and indoor workers, 8d. extra for one boot or shoe or pair of boots or shoes. These rates do not include bracing. Alterations (other than operations to which general minimum piece rates are applicable) are to be paid at the piece rates specified in paragraph 1 (1) (*b*) (ii).

(2) Scafe or similar soles, 2s. 6d. per pair extra to the rates for completed work set out in paragraphs 76, 77 and 78.

(3) The minimum rates of wages specified in this Schedule do not include the cost of grindery as defined in sub-paragraph 83 (*e*).

Paragraph 82

Rates per pair—where a piece rate is specified in this Schedule as a rate per pair one-half of such rate shall be payable where only one boot or shoe is involved.

DEFINITIONS

Paragraph 83

(*a*) "German seat" is a piece of butt leather sewn round the heel.

(*b*) "Inside corks" are extra insoles of cork which are made with the boot.

(*c*) "Shaped toe piece" is a toe piece that is larger than the ordinary toe bit and extends along the side up to the joint.

(*d*) "Underlays" are inserted and slotted toe bits or side bits.

(*e*) "Grindery" is all material apart from tools used by the worker in the making or repairing of leather footwear.

(*f*) "Box randed"—a box rand is a rand which is made from a piece of bend, butt, fore-end, shoulder or belly leather.

SECOND SCHEDULE

HOLIDAYS AND HOLIDAY REMUNERATION

Order D.(85) shall be amended as follows:—

In the First Schedule thereto, the following paragraph shall be substituted for paragraph 6:—

"Paragraph 6 (1) Holidays under this Schedule shall be allowed on consecutive days and, where a worker's normal working week is less than six days, those days of the week on which he does not normally work (other than Sunday or a day on which falls a holiday to which he is entitled under any enactment other than the Wages Councils Act, 1945) may be treated as days of holiday for the purposes of paragraphs 3 and 9.

Provided that where a worker is entitled to more than six days holiday under the provisions of this Schedule, the said holidays may, by agreement between the employer and the worker or his representative, be allowed in two or three separate periods, provided that one of the periods is of not less than six consecutive days and that the remaining holidays allowed are whole days upon which the worker is normally employed by the employer.

(2) Days of holiday shall be treated as consecutive notwithstanding that a Sunday or some other holiday intervenes."

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

The First Schedule to this Order sets out the statutory minimum remuneration payable as from the 4th February, 1949, to workers in relation to whom the Boot and Shoe Repairing Wages Council (Great Britain) operates. It supersedes the First Schedule to Order D (89) (as amended). New provisions are printed in italics.

The Second Schedule to this Order repeats the amendments to the First Schedule to Order D. (85) (which relates to holidays and holiday remuneration) contained in the Second Schedule to Order D (89), now revoked.
