EXPLANATORY NOTE

(This Note is not part of the order.)

The purpose of this order is to adjust, for 1967–68 and subsequent years, the standard amount on which the payments to Scottish local authorities by the British Railways Board in lieu of rates are based, to take account of the general increase in valuations following the 1966 revaluation. Its effect will be that the amount payable by the Board in lieu of rates for 1967–68 will be approximately the same as the amount paid for 1966–67.
