EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order amends the Brucellosis (England and Wales) Order 1978 by adding Kidderminster and Market Drayton livestock markets to the first eradication area described in Schedule 1 to the 1978 Order, and certain areas of England and Wales to the attested areas described in Schedule 2 to that Order.

In England the areas added to the attested areas are the counties of Lincolnshire, Leicestershire, Northamptonshire, Oxfordshire, Buckinghamshire, Berkshire and Hampshire and, in the county of Humberside, the districts of Scunthorpe, Glanford, Cleethorpes and Grimsby, and, in Wales, in the county of Clwyd, the Boroughs of Rhuddlan, Delyn and Wrexham-Maelor and the district of Alyn and Deeside (excluding that part of that district which lies to the north of the river Dee). All these areas, except a part of Oxfordshire, were included in the eradication areas described in Schedule 1 to the 1978 Order and consequential amendments delete the areas concerned from that Schedule.
