EXPLANATORY MEMORANDUM TO

The Business Tenancies (Coronavirus) (Restriction on Forfeiture: Relevant Period) (Northern Ireland) Regulations 2020

S.R. 2020 No. 111

1. Introduction

1.1. This Explanatory Memorandum has been prepared by the Department of Finance ("the Department") to accompany the Statutory Rule (details above) which is laid before the Northern Ireland Assembly.

1.2. The Statutory Rule is made under section 83(7) of the Coronavirus Act 2020 ("the 2020 Act") and is subject to the negative resolution procedure.

2. Purpose

2.1. Section 83 of the Coronavirus Act 2020 provides that a right of re-entry or forfeiture, under a relevant business tenancy, for non-payment of rent may not be enforced, by action or otherwise, during the relevant period.

2.2. "Relevant period" is defined in subsection (7) as the period starting with Royal Assent and ending with 30th June 2020 (or such later date as may be specified in regulations).

2.3. Regulation 1 of these Regulations provides for citation, commencement and interpretation.

2.4. Regulation 2 provides that the relevant period is extended to 30th September 2020.

3. Background

3.1. Forfeiture is a right to end a lease by a landlord at an earlier date than the lease would normally end because of some default by the tenant. The right to forfeit is a contractual right rather than a common law or statutory right and most contracts contain express provisions for forfeiture.

3.2. The Coronavirus Act 2020 Act provided that where non-payment of rent would usually enable a landlord to treat a lease as forfeited, that right would not be able to be exercised for a period of three months (up to 30th June 2020) with a power to extend if it is needed. The Act brought in this provision separately in England, Wales and Northern Ireland.

3.3. This Statutory Rule extends the provision made for Northern Ireland until 30 September 2020.
