**EXPLANATORY MEMORANDUM TO**

**THE CADISHEAD PRIMARY SCHOOL (CHANGE TO SCHOOL SESSION TIMES) ORDER 2006**

**2006 No. 2370**

**1.** This explanatory memorandum has been prepared by Department for Education and Skills and is laid before Parliament by Command of Her Majesty.

## 2. Description

This Order is made under section 2 of the Education Act 2002. Article 2 provides that regulation 3(a) of the Changing of School Session Times (England) Regulations 1999 does not apply to the governing body of the Cadishead Primary School. Article 3 specifies that the Order shall have effect until 31 January 2007.

## 3. Matters of special interest to the Joint Committee on Statutory Instruments

None.

## 4. Legislative Background

4.1 The Order is made under section 2 of Chapter 1 (sections 1 to 5) of the Education Act 2002. The purpose of Chapter 1 of that Act is to facilitate the implementation of innovative projects that may (in the opinion of the Secretary of State) contribute to the raising of educational standards. Specifically, section 2 gives the Secretary of State the power, upon the application of one or more qualifying bodies, to suspend (and make consequential modifications to) particular provisions of education legislation in order to further such innovative projects. Orders made under s. 2 have effect for the period specified in the order, which cannot exceed 3 years.

4.2 The Order suspends regulation 3(a) of the Changing of School Session Times (England) Regulations 1999 (SI 1999/2733). The start and finish times for school sessions are decided by the governing body of each school. However, these regulations say that no change in the times of the beginning or end of a school day shall be made so as to take effect otherwise than at the beginning of a school year.

## 5. Extent

This instrument applies to the Governing Body of Cadishead Primary School, Allotment Road, Cadishead, Manchester, M44 5JD.

## 6. European Convention on Human Rights

As the instrument is subject to negative resolution procedure and does not amend primary legislation, no statement is required.

## 7. Policy background

7.1 The Power to Innovate ("the Power") provides the Governing Body of schools,

LEAs, the proprietors of certain special schools and Education Action Forums with an opportunity to apply to the Secretary of State to lift regulatory requirements in education legislation for a time-limited period (by means of a Power to Innovate Order), so they can trial a specific innovative project that has the potential to raise educational standards. The Power is the result of concerns that innovative ideas can be unintentionally thwarted by detailed regulations and legislation. It is intended to facilitate the implementation of these ideas and to ensure that no opportunity is lost to trial innovative proposals that could raise standards. It is intended that the lessons learned will be used for further deregulation for the system as a whole.

7.2 This order will allow the school to change the timings of the school day otherwise than at the beginning of the school year. They will be shortening a long lunch break, and re-scheduling start and finish times to introduce a timetable that is designed around learning rather than administrative contingencies. There will be no loss of 'taught time' and confining the core school day to daylight hours will also maximise the opportunities for sport and outdoor play.

7.3 Before making an application under the power to innovate provisions of the Education Act 2002, applicants must consult such persons as appear to them to be appropriate. The governing body has given assurances that all stakeholders have been consulted, including governors, staff, parents, carers, students and the local authority. No objections have been received and the school reports that the proposal has received very positive support.

7.4 There are nine previous Power to Innovate Orders that relate to the Changing of School Session Times (England) Regulations 1999. These are:
