EXPLANATORY NOTE

(*This Note is not part of the Order.*)

The Order amends certain provisions of the international Convention known as the Additional Convention to the International Convention concerning the Carriage of Passengers and Luggage by Rail, as set out in the Schedule to the Carriage by Railway Act 1972. The amendments to the provisions so set out fall to be made in accordance with Protocol II signed at Berne between 9th November 1973 and 31st January 1974 (Cmnd. 5599) whch takes account of the revision of two Conventions to which the said Additional Convention is related, which are respectively referred to in the Act of 1972 as the Railway Freight Convention and the Railway Passenger Convention (Cmnd. 2810, 2811) and to which the United Kingdom is already a party. This revision was effected under provisions for that purpose contained in those Conventions; and in one case, namely the revision of Article 20(1) of the scheduled Convention, only the French text is affected so that is is only to that text that the resulting amendment is made.
