### EXPLANATORY NOTE

*(This Note is not part of the Regulations, but is intended to indicate their general purport.)*

These regulations extend the time within which an application may be made for a payment under Part I of the Town and Country Planning Act, 1954 (which provides for the making of payments by the Central Land Board in respect of past compulsory acquisitions and other past acts or events, by reference to the claims established on the £300 million under Part VI of the Town and Country Planning Act, 1947). Under the regulations the period for making claims will now end on the thirtieth day of June, 1955, subject to the power of the Board to allow an extended period in any particular case.
