EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

The registration of charities provided for by section 4 of the Charities Act, 1960, does not apply to charities founded before 1961 until dates to be appointed. This Order appoints 22nd September, 1962, as that date in relation to charities for the benefit wholly or mainly of any part of any of the administrative counties and county boroughs specified in the Schedule and also in relation to "general" charities, that is to say, charities not for the benefit wholly or mainly of particular areas within England and Wales.
