EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

Section 4 of the Charities Act 1960 provides that the registration of charities provided for by that section shall not apply to charities founded before 1961 until dates to be appointed.

Registration already applies by virtue of previous Orders to "general" charities, that is to say, charities not for the benefit wholly or mainly of particular areas within England and Wales, and also to charities for the benefit wholly or mainly of any part of any of the administrative counties or county boroughs of England other than those specified in the Schedule to this Order and those of or within Cumberland, Durham, Lancashire, Northumberland, Westmorland or Yorkshire.

This Order appoints 30th November 1962 as the date from which registration is to apply to charities for the benefit wholly or mainly of any part of Wales or any of the other areas specified in the Schedule and 28th February 1963 as the date from which registration is to apply to the remaining charities.

Thus the provisions for the registration of charities will be in full force from 28th February 1963.
