5. Subject to the provisions of these Regulations, the operator of every aircraft (whether or not registered in the United Kingdom) which flies within the Shanwick Oceanic Control Area, as described in the United Kingdom Air Pilot on the date of coming into operation of these Regulations, and in respect of which a flight plan is communicated to the appropriate air traffic control unit in relation to its flight in that Area shall pay to the Authority for the navigation services made available by it in relation to that flight a charge of sixty-eight pounds.

there on the occasion specified in the notice, the operator of the aircraft shall pay, in respect of each such aerodrome—

(a) in the case of an intended landing or intended use of the aerodrome as an alternate aerodrome, an amount equal to the surcharge payable under regulation 4 of these Regulations on the landing of the aircraft outside hours;

Provided that a charge shall not be payable under this regulation if the notice of intention is cancelled not less than 30 minutes before the end of the last period of watch within hours before the time specified in the notice for landing or for the intended use of the aerodrome as an alternate aerodrome or for take-off, as the case may be.

Dispensations

9. The Authority may dispense wholly or in part with any charge payable by virtue of these Regulations if it determines that it is proper to do so having regard to all the circumstances of the case.

Detention and sale of aircraft for unpaid charges

10. Where default is made in the payment of charges incurred in respect of any aircraft under these Regulations, the Authority or an authorised person may, subject to the provisions of this and the following regulations, take such steps as are necessary to detain, pending payment, either—

(a) the aircraft in respect of which the charges were incurred (whether or not they were incurred by the person who is the operator of the aircraft at the time when the detention begins); or

(b) any other aircraft of which the person in default is the operator at the time when the detention begins;

and if the charges are not paid within 56 days of the date when the detention begins, the Authority may sell the aircraft in order to satisfy the charges.

11. The Authority or authorised person concerned shall not detain, or continue to detain, an aircraft under these Regulations by reason of any alleged default in the payment of charges payable under these Regulations if the operator of the aircraft or any other person claiming an interest therein—

(a) disputes that the charges, or any of them, are due or, if the aircraft is detained under regulation 10*(a)* of these Regulations, that the charges in question were incurred in respect of that aircraft; and

(b) gives to the Authority, pending the determination of the dispute, sufficient security for the payment of the charges which are alleged to be due.

12. The Authority shall not sell an aircraft under these Regulations without the leave of the court; and the court shall not give leave except on proof that a sum is due to the Authority for charges under these Regulations, that default has been made in the payment thereof and that the aircraft which the Authority seeks leave to sell is liable to sale under these Regulations by reason of the default.

13. The Authority shall, before applying to the court for leave to sell an aircraft under these Regulations, take such steps for bringing the proposed application to the notice of interested persons and for affording them an opportunity of becoming a party to the proceedings as are set forth in Schedule 2 of these Regulations. If such leave is given, the Authority shall secure that the aircraft is sold for the best price that can be reasonably obtained; but failure to comply with any requirement of this regulation or of the said Schedule in respect of any sale, while actionable as against the Authority at the suit of any person suffering loss in consequence thereof, shall not, after the sale has taken place, be a ground for impugning its validity.

14. The proceeds of any sale under these Regulations shall be applied as follows, and in the following order, that is to say—

(a) in payment of any customs duty which is due in consequence of the aircraft having been brought into the United Kingdom;

(b) in payment of the expenses incurred by the Authority in detaining, keeping and selling the aircraft, including its expenses in connection with the application to the court;

(c) in payment of the charges in respect of any aircraft which the court has found to be due from the operator by virtue of these or any other Regulations under section 73 of the Civil Aviation Act 1982;

(d) in payment of any airport charges incurred in respect of the aircraft which are due from the operator of the aircraft to the person owning or managing the aerodrome at which the aircraft was detained under these Regulations;

and the surplus, if any, shall be paid to or among the person or persons whose interests in the aircraft have been divested by reason of the sale.

15. The power of detention and sale conferred by these Regulations in respect of an aircraft extends to the equipment of the aircraft and any stores for use in connection with its operation (being equipment and stores carried in the aircraft) whether or not the property of the person who is its operator, and references to the aircraft in regulations 11 to 14 of these Regulations include, except where the context otherwise requires, references to any such equipment and stores.

16. The power of detention conferred by these Regulations in respect of an aircraft extends to any aircraft documents carried in it, and any such documents may, if the aircraft is sold under these Regulations, be transferred by the Authority to the purchaser.

17. The power conferred by these Regulations to detain an aircraft may be exercised on any occasion when the aircraft is on any aerodrome referred to in the Table in regulation 2(1) of these Regulations or to which section 88 of the Civil Aviation Act 1982 for the time being applies.

18. Nothing in these Regulations shall prejudice any right of the Authority to recover any charges, or any part thereof, by action.

Nicholas Ridley,
Secretary of State for Transport.

27th February 1986.

We consent to the making of these Regulations.

Donald Thompson,
A. G. Hamilton,
Two of the Lord's Commissioners of
Her Majesty's Treasury.
