EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These regulations amend the Civil Aviation (Route Charges for Navigation Services) Regulations 1971 so as to give effect to new tariffs in relation to flights which enter the airspace, specified in the 1971 Regulations, where the United Kingdom provides air navigation services. The tariffs have been agreed internationally under the Eurocontrol Convention and the Multilateral Agreement relating to the Collection of Route Charges. They reflect recent changes in the effective parity relationships of currencies, and name some additional aerodromes for the purpose of determining the tariffs for trans-atlantic flights.
