EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend regulation 3 of the Clean Air Zones Central Services (Fees) (England) Regulations 2020 (S.I. 2020/1444) (the "2020 Regulations"). Under the 2020 Regulations, where a payment is made under a charging scheme that has been established by a relevant charging authority, and that payment is processed by the clean air zones central services provided by or on behalf of the Secretary of State (a "processed payment"), that relevant charging authority is liable to pay a fee to the Secretary of State. These Regulations increase the fee payable by the relevant charging authority from £2 to £4 per processed payment, from 1st September 2026. The amendments also extend the period during which charging authorities are liable to pay fees to the Secretary of State in respect of processed payments, to 31st March 2031.
