NOTICE

GOODS AND SERVICES (PRICE CONTROL) ACT, 1941

CARPETS

Maximum prices have been fixed under the above-mentioned Act for certain carpets which are offered for sale in this Establishment.

A Schedule containing such prices will, on request, be shown to any customer.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order supersedes the Imported Carpets (Maximum Prices) Order, 1949, and the Imported Carpets (Maximum Prices) (Amendment) Order, 1949.

The principal changes are as follows:—

1. Descriptions of carpets imported from the Netherlands and further descriptions of French, Belgian and Polish carpets have been added to the First Schedule and maximum prices have been fixed for them.

2. The importers' and wholesalers' maximum price on a sale by retail is now to be computed by adding 40 per cent. to the delivered cost (as defined in Article 9(1)) subject to a ceiling price computed by reference to a rate specified in the First Schedule. Hitherto the maximum price was computed solely by reference to a rate specified in the Schedule.
