Commencement and citation.

6. This direction shall come into operation on the first day of May, nineteen hundred and forty-nine, and may be cited as the Coal Distribution (Restriction) Direction, 1949.

Dated this thirteenth day of April, nineteen hundred and forty-nine.

Hugh Gaitskell,
Minister of Fuel and Power.

EXPLANATORY NOTE

(This note is not part of this direction, but is intended to indicate its general purport.)

1. This direction specifies, subject to certain exceptions mentioned in paragraph 3, the maximum aggregate quantities of various classes of coal which may be furnished or acquired between 1st May, 1949, and 30th April, 1950, for consumption in controlled premises, as defined in the Coal Distribution Order, 1943.

2. The direction also amends the article of that order which relates to supplies of small quantities by increasing the quantity of coke which may be obtained without restriction from 28 lb. at any one time to 56 lb. at any one time.

(b) 10 & 11 Geo. 6. c. 55. (c) S.R. & O. 1939 (No. 1804) I, p. 929.

EXPLANATORY NOTE

(This Note is not part of this Order, but is intended to indicate its general purport.)

The Coal Mines General Regulations (Precautions against Coal Dust) Modification Order, 1939, modified the application of certain provisions of the Coal Mines General Regulations (Precautions against Coal Dust), 1939, (primarily by limiting to 65 per cent. the percentage of incombustible matter required for types of coal which, under the scale prescribed in the regulations, would require a percentage of between 65 per cent. and 75 per cent.). This order revokes the order of 1939 and restores the full requirements of the regulations, with effect from 1st July, 1950.
