At the Court at Clarence House, the 9th day of April, 1952

Present,

The Queen's Most Excellent Majesty in Council

Whereas the Coal Mines Regulation Act, 1908(**a**), makes provision regarding the times during which certain persons employed in mines below ground may be below ground in a mine for the purposes of their work:

And Whereas by section four of that Act it is provided that Her Majesty may, in the event of, inter alia, great emergency, or in the event of any grave economic disturbance due to the demand for coal, or for the product of any other mines to which the Act applies, exceeding the supply available at the time, by Order in Council suspend the operation of the Act to such extent and for such period as may be named in the Order, either as respects all mines or any class of mines:

And Whereas circumstances existed such as contemplated by the said section four and the Coal Mines Regulation (Suspension) Order, 1951(**b**), relating to the period ending on the thirtieth day of April, nineteen hundred and fifty-two, was made in exercise of the powers conferred by that section:

And Whereas circumstances still exist such as contemplated by the said section four and accordingly the powers conferred by the said section four are still exercisable:

Now, therefore, Her Majesty, in exercise of the powers conferred on Her as aforesaid, and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:—
