The Coal Industry (Workmen's Compensation Liabilities) (Compensation Trusts) Order, 1956

Made - - - -	*24th April*, 1956
Coming into Operation	*7th May*, 1956

At the Court at Buckingham Palace, the 24th day of April, 1956

Present,

The Queen's Most Excellent Majesty in Council

Whereas by subsection (1) of section five of the Coal Industry Act, 1949(a), it is provided that if it appears to Her Majesty in Council that arrangements have been made between the National Coal Board (in this Order referred to as "the Board") and a person who at any time before the primary vesting date was the owner of an interest in property that vested in the Board under the Coal Industry Nationalisation Act, 1946(b), for the assumption by the Board of all or any of the workmen's compensation liabilities of that person, She may by Order in Council provide for the enforcement of the liabilities to which the arrangements relate against the Board instead of against that person as if the employment out of which the liabilities arise had been employment by the Board instead of by that or some other person and, in connection therewith, for conferring on the Board the rights and remedies which that person would have had in respect of the liabilities if they had remained enforceable against that person;

And Whereas by subsection (2) of the said section five, it is provided that where the discharge of a workmen's compensation liability which, by virtue of an Order in Council under the said subsection (1) is rendered enforceable against the Board is secured by virtue of a compensation trust, the Order may extinguish the liability of the trustees under the trust to make a payment in or towards the discharge of the first-mentioned liability;
