EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make amendments to legislation requiring provision of support to producer organisations in connection with their operational programmes in the fruit and vegetables sector. These Regulations come into force on 30 January 2026.

Regulation 2 amends the Common Agricultural Policy Non-IACS Support Schemes (Appeals) (Scotland) Regulations 2004 to include decisions made under Regulations (EU) No 2017/891 and 2017/892 to the schedule of the Common Agricultural Policy Non-IACS Support Schemes (Appeals) (Scotland) Regulations 2004, and so creates a right of appeal to the Scottish Ministers in the first instance.

Regulation 3 makes amendments to the CMO Regulation. Article 33 is amended to provide that operational programmes must have a duration of 3 years. Article 34 is amended so that the level of financial support to be provided by the Scottish Ministers to the operational fund of a producer organisation is limited to 4.1% of the value of the marketed production of produce which is grown in Scotland.

Regulation 4 makes amendments to Commission Delegated Regulation (EU) 2017/891. These amendments provide for the value of marketed produce to be calculated on the basis of produce grown in Scotland. Article 26 is amended so that a producer must notify the Scottish Ministers of the estimated amount of financial assistance by 1 March, earlier than the previous deadline of 15 September.

Regulation 5 makes amendments to Regulation (EU) No 2017/892. Operational programmes can now only be submitted in every third year. A producer organisation is required to submit the estimated amount of financial assistance by 1 March in the year preceding the applicable year.

Regulation 6 makes transitional provision. The changes to the basis on which financial support is calculated are not to apply to aid given to producer organisations whose operational plans were approved for a period ending on 31 December 2025 and who have submitted an operational plan for implementation in the period beginning on 1 January 2026 for approval in accordance with Article 6 of Regulation (EU) No 2017/892.

Regulation 7 revokes the Common Organisation of the Markets in Agricultural Produce (Fruit and Vegetables) (Amendment) (Scotland) Regulations 2023, which are spent.
