NOTES TO FORMS 1 AND 2

(*a*) Insert the title of the Act authorising compulsory purchase. If the purpose of acquisition as stated in article 1 of the order is contained in some other Act, the title of that Act (or a collective title) should be added as a sub-heading.

(*b*) Describe the purpose in precise terms. Where practicable the words of the relevant Act may be used, but where those words are in general terms covering a range of purposes, the particular purpose for which the land is required should be stated if possible.

(*c*) Describe the colouring or other method used to identify the land on the map. The boundaries of each parcel of land separately numbered in the schedule to the order should be clearly delineated. Also, the map itself should contain sufficient detail to enable the situation of the land to be readily identified and related to the description given in the schedule. Maps should normally be on a scale of 1/500 or 1/1250.

(*d*) Insert the name of the confirming authority.

(*e*) This article should be omitted in the case of an order under the Housing Act 1957 and is optional in other cases.

(*f*) This article may be omitted, or may be inserted with or without reference to sections 78 to 85.

(*g*) Insert any consequential modifications required—e.g. "references in the said [section] [sections] to the company shall be construed as references to the said ..... and references to the [railway or] works shall be construed as references to the land authorised to be purchased and any buildings or works constructed or to be constructed thereon".

(*h*) Use the first alternative if the whole of the land referred to in article 1 falls within paragraph 11 of Schedule 1 to the Acquisition of Land (Authorisation Procedure) Act 1946. Otherwise, use the second alternative and specify the parcel number(s) of the land which does fall within paragraph 11.

(*j*) To be included, if appropriate, only where the order is made under section 15 of the Community Land Act 1975. The modifications of paragraph 4 of Schedule 1 to the Acquisition of Land Act made by paragraphs 2 and 3 of Schedule 4 to the 1975 Act, do not have effect unless the order contains this certificate.

(*k*) This column should contain sufficient detail to tell the reader approximately where the land is situated, without reference to the map.

In describing the land regard should be had (where appropriate) to note (*m*) below.

(*l*) Column (1) need not be completed where the order relates only to one parcel of land. Where there are two or more parcels they should be numbered 1, 2 etc. on the map and referred to accordingly in column (1). In the case of any land in respect of which the confirming authority has dispensed with service on owners, lessees and occupiers under paragraph 19(4) of Schedule 1 to the Acquisition of Land Act, the appropriate columns should be endorsed "unknown".

(*m*) The compulsory acquisition of land—

(i) which is the property of a local authority;

(ii) which has been acquired by statutory undertakers for the purposes of their undertaking;

(iii) forming part of a common, open space or fuel or field garden allotment;

(iv) held inalienably by the National Trust; or

(v) being, or being the site of, an ancient monument or other object of archaeological interest;

is subject to Part III of Schedule 1 to the Acquisition of Land Act and consequently may be subject to Special Parliamentary Procedure in certain circumstances, unless section 41 of the Community Land Act 1975 applies in the case of (i) and (ii).

The column 'Description' need only refer to the special category into which the relevant parcel of land falls.

(*n*) The order should be made under seal, duly authenticated, and dated.

STATEMENT CONCERNING GENERAL VESTING DECLARATIONS (*a*)

Part I below contains a statement of the effect of paragraphs 1 to 8 of Schedule 3 to the Town and Country Planning Act 1968 and Part II contains a form for giving information.

PART I

Power to make general vesting declaration

1. The (hereinafter called) (*b*) may acquire any of the land described in [the] schedule [1] [above] [below] [hereto] (*c*) by making a general vesting declaration under section 30 of the Town and Country Planning Act 1968 which has the effect, subject to paragraph 4 below, of vesting the land in the (*b*) at the end of the period mentioned in paragraph 2 below. A declaration may not be made before the end of a period of two months from the first publication of a notice including this statement except with the consent of every occupier of the land affected.

Notices concerning general vesting declaration

2. As soon as may be after the (*b*) make a general vesting declaration, they must serve notice of it on every occupier of any of the land specified in the declaration (except land where there is one of the tenancies described in paragraph 3) and on every person who gives them information relating to the land in pursuance of the invitation contained in any notice including this statement. When the service of notices of the general vesting declaration is completed, an intermediate period before vesting begins to run. This period, which must not be less than 28 days, will be specified in the declaration. At the end of this period the land described in the declaration will, subject to what is said in paragraph 4, vest in the (*b*) together with the right to enter on the land and take possession of it. In addition every person on whom the (*b*) could have served a notice to treat in respect of his interest in the land (other than a tenant under one of the tenancies described in paragraph 3) will be entitled to compensation for the acquisition of his interest in the land and to interest on the compensation from the date of vesting.

Application to certain tenancies

3. In the case of certain tenancies, the position stated above is subject to modifications. For the modifications to apply, the tenancy must be either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a tenancy for a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having at the date of the general vesting declaration a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or extend his interest.

Notice of entry

4. The (*b*) may not exercise the right of entry referred to in paragraph 2 in respect of land subject to one of the tenancies described in paragraph 3 unless they first serve notice to treat in respect of the tenancy and then serve every occupier of the land with a notice of their intention to enter and take possession after the period (not less than 14 days) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

NOTICE IS HEREBY GIVEN that the (hereinafter called "the ") (*a*) on 19 made a general vesting declaration under section 30 of the Town and Country Planning Act 1968 (hereinafter called "the Act") vesting the land described in the schedule to this notice (hereinafter called "the said land") in themselves as from the end of the period of days from the date on which the service of the notices required by paragraph 4 of Schedule 3 to the Act is completed.

Paragraph 4 of Schedule 3 to the Act requires notices to be served on every occupier of any of the land specified in the declaration (other than land in which there subsists a "minor tenancy" or a "long tenancy which is about to expire"—these expressions are defined in Appendix A to this notice) and on every other person who has given information to the (*a*) with respect to any of that land in pursuance of the invitation published and served under paragraph 2(1) of Schedule 3 to the Act.

The (*a*) will in due course specify in a certificate the date on which the service of the said notices is completed.

The effect of the general vesting declaration is as follows:—

On the date of vesting (as determined in accordance with the first paragraph of this notice) the said land, together with the right to enter upon and take possession of it, will vest in the (*a*) as if the (*a*) had on that date exercised their powers to execute a deed poll under Part I of the Compulsory Purchase Act 1965.

Also, on the date of vesting, the Acts providing for compensation will apply as if, on the date on which the general vesting declaration was made (namely, 19), a notice to treat had been served on every person on whom the (*a*) could have served such a notice (other than any person entitled to an interest in the land in respect of which such a notice had actually been served before the date of vesting and any person entitled to a minor tenancy or a long tenancy which is about to expire).

If the land includes any land in which there is a minor tenancy or a long tenancy which is about to expire, the right of entry will not be exercisable in respect of that land unless, after serving a notice to treat in respect of that tenancy, the (*a*) have served on every occupier of any of the land in which the tenancy subsists a notice stating that, at the end of a specified period (at least 14 days from the date of the service of the notice, i.e. 14 days excluding the date of first publication) they intend to enter upon and take possession of the land specified in the notice, and that period has expired: the vesting of the land will then be subject to the tenancy until that period expires, or the tenancy comes to an end, whichever happens first.

Schedule 3A to the Act (as enacted in Appendix A of Schedule 2 to the Land Commission (Dissolution) Act 1971) contains supplementary provisions as to general vesting declarations. These provisions are set out in Appendix B to this notice.

EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations consolidate with amendments the previous regulations which prescribe forms for use in connection with—

(*a*) the compulsory purchase of land under the procedure of the Acquisition of Land (Authorisation Procedure) Act 1946 (c. 49),

(*b*) general vesting declarations, following a compulsory purchase order, and

(*c*) compulsory purchase orders and inquiries where a District Council propose to purchase land on behalf of a Parish or Community Council.

The forms prescribed by these Regulations include—

(i) the compulsory purchase order itself. This now provides for a certificate in accordance with paragraph 1(2) of Schedule 4 to the Community Land Act 1975 (c. 77) that there are no material interests comprised in the order other than outstanding material interests in development land. The note (*j*) to forms 1 and 2 makes it clear that this certificate can only be included where the order is made under section 15 of the Act of 1975, and that the modifications of paragraph 4 of Schedule 1 to the Act of 1946 made by paragraphs 2 and 3 of Schedule 4 to the Act of 1975, do not have effect unless the order contains this certificate;

(ii) the preliminary notice i.e. the newspaper notice and the personal notice to owners, lessees and occupiers, describing the effect of the order and specifying how objections can be made. Form 4 has been amended to take account of the effect of the Local Government Act 1974 (c. 7) on section 117 of the Town and Country Planning Act 1971 (c. 78). Form 6 is a new form of notice for use where the order is made under section 15 of the Community Land Act 1975 and contains the certificate referred to in (i) above;

(iii) the notice of confirmation of the order. This now allows for a direction under paragraph 4 of Schedule 4 to the Community Land Act 1975 that consideration of the order has been postponed so far as part of the land is concerned.

(iv) the notice that a certificate has been given under Part III of Schedule 1 to the Act of 1946;

(v) the general vesting declaration itself;

(vi) the statement of the effect of the statutory provisions relating to a general vesting declaration. This has been amended to remove minor errors;

(vii) the notice that such a declaration has been made; and

(viii) the notice of a proposed inquiry for the purposes of section 125(2) of the Local Government Act 1972 (c. 70).

The other changes in the regulations and the forms are minor and drafting alterations.
