EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport)

This Order revokes the Control of Growing Trees (Felling and Selling) Order, 1950, which prohibited the felling or the sale for felling of growing trees in Great Britain unless the felling had first been authorised by a licence granted or direction issued by the Forestry Commissioners. The revocation takes effect on the 1st October, 1951, when certain provisions of the Forestry Act, 1951, (14 & 15 Geo. 6, c. 61) come into operation which (*a*) prohibit, subject to certain exceptions, the felling of growing trees unless a licence granted by the Commissioners under that Act is in force and (*b*) empower the Commissioners, in certain circumstances, to give directions requiring the felling of growing trees.

Under section 25 of that Act any authorisation having effect under the Order hereby revoked and in force immediately before the 1st October, 1951, will operate as if it were a licence granted under that Act and any application for such an authorisation outstanding immediately before that date will have effect as if it were an application for a licence duly made under that Act.
