2. The Interpretation Act 1889**(b)** shall apply for the interpretation of this order as it applies for the interpretation of an Act of Parliament.

3. The British Standards Institution Code of Practice for noise control on construction and demolition sites published on 30th May 1975 under the number BS 5228:1975 is hereby approved as the code of practice for the carrying out of works to which section 60 of the Control of Pollution Act 1974 (which relates to the control of noise on construction sites) applies.

10th December 1975.

Anthony Crosland
Secretary of State for the Environment.

11th December 1975.

John Morris
Secretary of State for Wales.

(a) 1974 c. 40.

(b) 1889 c. 63.

EXPLANATORY NOTE

(This Note is not part of the Order.)

Section 60 of the Control of Pollution Act 1974 provides for the control of noise on construction sites and subsection (4) requires a local authority acting under the section to have regard to the relevant provisions of any code of practice issued under Part III of the Act.

This Order approves the British Standards Institution Code of Practice for noise control on construction and demolition sites, issued by the British Standards Institution, for the carrying out of works to which section 60 of the Act applies.
