PUBLIC HEALTH, ENGLAND AND WALES
WATER, ENGLAND AND WALES

The Control of Pollution Act 1974 (Appointed Day) Order 1976

Made - - - - 10*th June* 1976

The Secretary of State for the Environment, as respects England, and the Secretary of State for Wales, as respects Wales, in exercise of their powers under section 44(5) of the Control of Pollution Act 1974(**a**), and of all other powers enabling them in that behalf, hereby make the following order:—

1. This order may be cited as the Control of Pollution Act 1974 (Appointed Day) Order 1976.

2. The day appointed for the purposes of subsection (5) of section 44 of the Control of Pollution Act 1974 shall be 19th July 1976.

Peter Shore,
7th June 1976. Secretary of State for the Environment.

John Morris,
10th June 1976. Secretary of State for Wales.

EXPLANATORY NOTE

(*This Note is not part of the Order.*)

Sections 43 and 44 of the Control of Pollution Act 1974 relate to the discharge of trade effluent to public sewers, and provide for the application of full control under the Public Health (Drainage of Trade Premises) Act 1937 (c.40) and the Public Health Act 1961 (c.64) to certain discharges for which consent has not previously been required. Those sections (which apply to England and Wales only) were brought into operation on 12th December 1974 by the Control of Pollution Act 1974 (Commencement No. 1) Order 1974 (S.I. 1974/2039 (c.33)), but their provisions will not come fully into effect until "the appointed day", that is to say, a day to be appointed by the Secretary of State by Order under section 44(5). This Order appoints 19th July 1976 for that purpose.

(**a**) 1974 c. 40.
