## EXPLANATORY NOTE

*(This Note is not part of the Order, but is intended to indicate its general purport.)*

The Order prohibits the incorporation of any metallic form of copper or zinc in the articles mentioned in the Schedule: except as a surface finish for articles mentioned in Part I of the Schedule. But a limited exemption is given for work in progress and stocks in hand immediately before the 1st March, 1951.

The Copper and Zinc Prohibited Uses (Ministry of Supply) Order, 1951, (S.I. 1951 No. 277) which comes into operation at the same time as the above Order, contains a similar prohibition in relation to other articles.
