EXPLANATORY NOTE

(This Note is not part of this Order.)

This Order replaces the County Court Districts Order 1949 and consolidates a large number of amending Orders. Court districts are defined by reference to local government areas and a number of minor changes are made in the districts of courts in London, the West Midlands and other areas to take account of altered local government boundaries. Changes are also made in the boundaries of the districts of the Epsom and Reigate County Courts and the Shaftesbury and Yeovil County Courts. The districts of the Wisbech and March County Courts, which were consolidated as a temporary measure, are restored as separate districts.
